Spring Break

APRIL 3RD-7TH!

A LETTER FROM OUR PRINCIPAL!

Dear Barnes Families,

I would like to wish our Barnes community a restful upcoming Spring Break! It is important for us all to use this time to prepare ourselves to finish off our school year. As we return from spring break, we will turn our focus to kindergarten registration, Smarter Balance Assessments for grades 3-5, finishing the school year strong, and preparing for the next school year.

Kindergarten 2023-2024

Our next school year is right around the corner and it will be here before you can say this alphabet tongue twister, "The big brown Barnes bear buys a big bowl of bananas with blue and black berries for breakfast!" Registration opens for Kindergarten students after spring break on Monday, April 17th. Families may pick up a packet from our school office or print forms from home and bring them in to the office. Also, our annual Kinderpalooza will be Tuesday, May 2nd from 5:00-6:30 in the cafeteria and gym at Coweeman Middle School. It has continued to grow each year and many of our families have provided very positive feedback. Information about Transitional Kindergarten, TK, will also be available. Remember, TK will begin October 18th next school year!

Smarter Balance Testing

Our state testing (Smarter Balanced Assessments) for grades 3-5 will occur in the month of May. Last year was the first year many of our current 4th and 5th students participated in a state assessment. I expect many of our teachers will be preparing our students in SBA practice tests in the month of April. We want to ensure that students have some exposure to the assessment prior to the actual state test. We plan to do most of our testing throughout the month of May with it officially ending on Thursday, May 25th. We want 100% of our 3rd, 4th, and 5th grade students to demonstrate their present math and literacy skills. I expect ALL of our students to give their best effort.

Finishing Strong and Preparing for Next School Year

As we have just begun our last trimester of the school year, it is very important that our students finish strong. During my first year as your head principal, I have come to understand our strengths and areas of growth. Our "big kids" are extremely influential in our school's climate. It will be vitally important for us to help our 5th graders complete their time at Barnes and successfully transition to Huntington. Also, it will be MORE IMPORTANT for our future climate to EMPOWER our 3rd and 4th graders as the new leaders of Barnes Elementary. I hope our school begins to more systematically empower our student leaders to positively impact the direction of our school! Parents, be prepared to hear how we plan on improving our school this May or June~ we want to begin day #1 next year with clearer goals and roles on how we plan on becoming more successful during the 2023-2024 school year!

I look forward to seeing all of our Bears when we return from Spring Break on Monday, April 10th. Have a safe and restful break!

COUNSELOR'S CORNER

A MESSAGE FROM OUR SCHOOL COUNSELOR

Mrs. Leinweber

Email: rachel.leinweber@kelsosd.org
Phone: 360.501.1530

Hello Families,

For the month of April, I will have a focus on Career Exploration. Career development is one of 3 domains that school counselors are tasked with increasing development in for students K-12. It is important for students to understand from a very young age the connection between school and the world of work. I will be introducing this topic through stories, discussion, career interests, and career identification.

You can encourage an interest in career exploration at home by inquiring what activities/subjects both in and out of school that your child enjoys and has strengths in and helping them to identify careers that would involve those interests and abilities.

Dear Incoming 6th Grade Students,

I am so excited to welcome you to Huntington Middle School! I am sure that thinking about coming to middle school is exciting. I am also sure that you are feeling nervous about the change and being in a new building with new staff and new students. Our Huntington Middle School Staff are excited to get to meet you and look forward to getting to know you.

We will be holding a **Parent Questions and Answer Night on April 17th from 530-730 pm at HMS to answer questions you or your parents might be having.**

You will also get to attend "Intramurals" our after-school programs that include; sewing, pep club, running club and several others. Your classmates will be coming from Lexington Elementary and Barnes Elementary and it will be so fun to make new friends.

Our Huntington Middle School Counselors will be meeting with you the week of April 10th, at your elementary 5th grade classroom. They will be talking about forecasting for your 6th grade classes. The paperwork that they hand out to you will need to be returned to your 5th grade teacher. This is very important for us to be able to set up your schedule before your begin next fall.

Awesome attendance = Cool lunch!

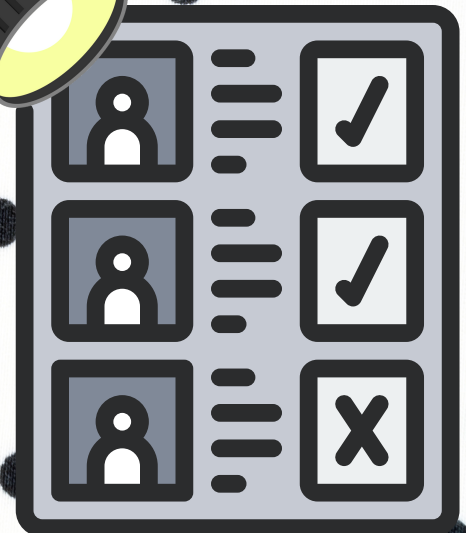

Beginning in April, we will be recognizing kids who have excellent attendance. Children with 0-1 absences for the month will enter into a drawing for a free lunch from local businesses.

PIZZA PARTY

The class with the top attendance each month will receive a pizza party provided by the Barnes Bears Booster Club. Please help your child to have the best attendance possible for the months of April, May and June!

YOUR CHILD
can have great
attendance!

The poster features a central purple frame with flowing, organic lines. At the top corners, there are clusters of yellow and orange flowers with green leaves and small orange berries. Inside the frame, above the text, are several colorful musical notes (green, yellow, orange, red) and wavy lines in green, yellow, and red. At the bottom, there are more musical notes and wavy lines, along with large, stylized red and purple treble clefs.
