43 (1½) for the hours worked or no less than two hours at the regular rate of pay, whichever is greater.
44 Employees will be provided with the same breaks and lunch period as outlined in Section 7.1. Such
45 employees shall be paid to the next (¼) hour.

LEAVES

Section 10.1. Sick Leave.

Each eligible employee shall accrue twelve (12) days of sick leave each year. Sick leave shall be vested when earned. School year employees (up to 193 days, including holidays) will accrue sick leave based on their awarded time prorated over a ten (10) month period.

An employee who works or has paid leave for eleven (11) working days in any calendar month will be given credit for the full calendar month each year.

Compensation may not be allowed for accumulated sick leave at the time the employee leaves the employment of the District unless criteria is met for RCW 28A.400.212. However, accumulated leave is transferrable from one district to another within the State of Washington. Employees transferring from other districts within the state will be credited with sick leave they have previously accumulated. Sick leave accumulated by an employee at the time of leaving the service of the District on a leave of absence may be reinstate only when he/she returns to employment in the District immediately following expiration of the granted leave of absence.

Section 10.1.1. Sick Leave Buy-Back Program.

In January of the year following any year in which a minimum of sixty (60) days of leave for illness or injury is accrued, and each January thereafter, any eligible employee may exercise an option to receive remuneration for unused leave for illness or injury accumulated in the previous year at a rate equal to one (1) day's monetary compensation of the employee for each four (4) full days of accrued leave for illness or injury in excess of sixty (60) days. Leave for illness or injury for which compensation has been received shall be deducted from accrued leave for illness or injury at the rate of four (4) days for every one (1) day's monetary compensation.

Section 10.1.2.

At the time of separation from school district employment, an eligible employee or the employee's estate, pursuant to the current governing RCW, shall receive remuneration at the rate equal to one (1) day's current monetary compensation for each four (4) days accrued leave for illness or injury.

Section 10.1.3.

At the end of March and August, the District shall provide one and one-half (1½) days of pay at the employee's regular rate of pay to any employee who has been employed for the entire first half of the school year and/or the entire last half of the school year and who has not used any leave days from Article X, Section 10.1, Sick Leave; Section 10.3, Family Leave (Washington State Family Care Leave); Section 10.7, Industrial Insurance Leave; Section 10.9, Emergency Leave; or Section 10.11, Uncompensated Leave. Sick Leave Buy Back does not affect this provision. For year-round employees, the summer break is exempt from this benefit.

1 **Section 10.1.4. Substitute Sick Leave.**

2 Each substitute shall accrue one hour of paid sick leave for every forty (40) hours worked. A
3 maximum of forty (40) hours of sick leave may be carried into the following year, as per
4 initiative 1433.

5
6 **Section 10.2. Family Medical Leave Act (FMLA).**

7 The District will comply with provisions of the law when administering leave under FMLA. The
8 District shall not discharge, threaten to discharge, demote, suspend, discipline or otherwise
9 discriminate against an employee who uses this leave. All other leaves run concurrently with FMLA.

10
11 **Section 10.3. Paid Family Medical Leave (PFML).**

12 The District will comply with provisions of the law when administering leave under Washington
13 PFML. Paid Family Medical Leave premiums are .4% of the employee's gross wages per month. The
14 total premium is split fifty/fifty between employee and employer.

15
16 **Section 10.4. Bereavement Leave.**

- 17 a. Up to five (5) days of non-deducted, paid leave will be allowed for each occurrence at the time
18 of death (exceptions may be granted by the superintendent or their designee) for members of
19 the immediate family.

20
21 For purposes of this section only, immediate family shall include parent, spouse, domestic
22 partner*, children, brother, sister, grandchild (all including in-law and step relationships),
23 grandparents, uncle, aunt, nephew, niece of the employee, guardian and ward.

24
25 *Register with Kelso School District by completion of affidavit.

- 26
27 b. In the event of the death of a colleague or student in a school where the employee works, the
28 employee may use up to one (1) whole day of leave to attend a funeral or memorial service.
29
30 c. Exceptions to the provisions contained in this section may be granted upon submission of
31 request to the Superintendent (or designee).

32
33 **Section 10.5. Leave Accrual.**

34 Each employee shall have electronic access to view their leave balances and leave accruals.

35
36 **Section 10.6. Judicial Leave.**

37 In the event an employee is summoned to serve as a juror, subpoenaed or named as a codefendant with
38 the District, such employee shall receive a normal day's pay for each day of required presence. Any
39 compensation received for such service may be kept by the employee. In the event that an employee is
40 released from jury duty prior to the conclusion of his/her shift, the employee will be expected to return
41 to his/her shift. Employees will be expected to work a total of eight (8) hours, or their regular shift,
42 inclusive of all jury duty hours served.

1 **Section 10.7. Industrial Insurance.**

2 Employees who are absent for reasons that are covered by industrial insurance and receive time loss
3 benefits can choose from the following options:

- 4
- 5 1. Elect to reimburse “buy back” hours of accrued leave benefits that were provided by the
6 District. This amount will be the difference between the amount paid by the District and the
7 amount paid by Worker’ Compensation to equal an amount the employee would normally earn.

8

9 The Association believes that this option is in the best interest of most employees in most
10 circumstances. Employees may consult with Human Resources if they have questions about
11 their options under this section. Option 2 may leave employees without access to District health
12 insurance benefits and options 3 and 4 may exhaust employee leave balances and lead to their
13 termination from the District.

- 14
- 15 2. Elect to only receive time loss benefits from Workers’ Compensation.
- 16
- 17 3. Elect to receive time loss benefits from Workers’ Compensation plus full wages by utilizing
18 accrued sick leave from District.
- 19
- 20 4. Elect to receive time loss benefits from Workers’ Compensation plus full wages by utilizing
21 accrued vacation leave from the District.
- 22

23 Employees may change their election at a later date and any future change will be effective from that
24 date forward.

25

26 **Section 10.8. Leave Sharing.**

27 Employees will be allowed to participate in leave sharing pursuant to RCW 28A.400.380, WAC
28 392.126.004 through WAC 392.126.104, and District Policy 5406.

29

30 **Section 10.9. Emergency Leave.**

31 Upon request, emergency leave shall be granted up to a total of five (5) days in any one (1) year. Such
32 leave shall be deducted from accumulated leave. Emergencies are defined as those situations which
33 cannot be dealt with outside of working hours which are unplanned and which require the individual to
34 absent himself/herself from his/her duties. Emergencies are not defined as injury or sickness to the
35 employee.

36

37 **Section 10.10. Personal Leave.**

38 Each employee shall be granted two (2) days of personal leave each year of the contract. Personal
39 leave shall be subject to the following restrictions:

- 40
- 41 1. Such leave shall be subject to the needs of the District and the approval of the supervisor;
- 42 2. A one (1) day notice will be given, if possible;
- 43 3. With a minimum of ten (10) working days written request, prior approval may be given to use
44 up to four (4) personal leave days to extend a school holiday, student non-attendance day, or
45 vacation; provided, no more than ten percent (10%) of the staff at any one building or
46 department (maintenance or food service) may be gone. Any fraction will be rounded up to the
47 next higher number;

4. Personal leave time may be taken in quarter (.25) hour increments equivalent to fifteen (15) minutes.
5. Employees hired after January 1 shall be granted only one (1) day of personal leave in the school year they are hired;
6. A separate leave bank will be available for personal leave and personal leave balances will be available to view online.
7. Two (2) unused personal leave days may be carried over and combined with the following year's personal leave days. A maximum of four (4) personal leave days may be accrued and utilized in one (1) year, by obtaining prior approval from the supervisor and following the restrictions listed above in Section 10.10 number 3.
8. Personal Leave Cash out; Employees shall be allowed to cash out unused personal leave at one hundred (100) percent of current pay rate at the end of the school year.
9. Employees may cash out two (2) unused personal days per school year at one hundred (100) percent of current pay rate at the end of the school year by requesting the cash out in writing to the Human Resources department. A form to request cash out is available on the District website. Cash out of unused personal days will not preclude the employee from eligibility of the provisions described in Section 10.1.3. Employees who choose to cash out unused personal leave remain eligible for the provisions in Section 10.1.3. (From LOA dated February 8, 2019)
10. It is understood that an employee who has unused personal days remaining is permitted to cash out those personal days upon separation from the District.

Section 10.11. Uncompensated Leave.

Uncompensated leave may be granted by the superintendent or superintendent's designee upon written request and pre-approval in the event of an emergency or hardship. Additional documentation may be required by the district. Unapproved uncompensated leave may be subject to disciplinary action as set forth in Article XV of this agreement.

ARTICLE XI

LEAVE OF ABSENCE

Section 11.1. Extended Leave of Absence.

Upon recommendation of the immediate supervisor through administrative channels to the superintendent, and upon approval of the board of directors, an employee may be granted an extended leave of absence for a period not to exceed one (1) year.

Section 11.2. Return to Position.

The employee granted a leave of absence without a guarantee will, if reinstated, be assigned insofar as possible to a position equivalent in duties and salary to that held at the time the request for leave of absence was approved. In filling of vacancies, the District shall give first consideration to employees on layoff status, followed by employees returning from leave of absence.

If given a guaranteed leave of absence, the returning employee will be assigned to the position occupied before the leave of absence. Employees hired to fill positions of employees on leave of absence will be hired for a specific period of time, during which they shall be subject to all provisions of this agreement.

A PSE employee who is granted a leave of absence shall notify the Human Resources Director by letter (or email) no later than March 1 of his/her intention to return to District employment in the following school year. A person who fails to respond by the date stated above shall lose all rights to reemployment.

Section 11.3. Benefit Retention.

The employee will retain accrued sick leave, vested vacation rights, and seniority rights while on leave of absence. However, vacation credits and sick leave shall not accrue while the employee is on leave of absence.

ARTICLE XII

VACATIONS

Section 12.1. Vacation Time for Year Round Employees.

Employees in a year-round or vacation eligible position shall receive prorated vacation. Such vacation shall be earned, vested, and used as designated in this article. An employee who works or has paid leave for eleven (11) working days in any calendar month will be given credit for the full calendar month. Employees shall receive the first two (2) weeks at the employee's request and the additional week(s) vacation will be upon the mutual agreement between the employee and administration.

<u>Years</u>	<u>Vacation Days</u>
0-3	10
4-6	15
7-9	16
10-12	17
13-19	20
20 plus	24

Section 12.1.1.

Once vacation has been approved, management cannot rescind the approval.

Section 12.2. Vacation Eligible Position.

Employees working in a vacation eligible position of one thousand six hundred and ninety (1,690) hours per year or more will qualify for pro-rated vacation benefits. Holiday hours and overtime/extra time hours will not be counted for calculating vacation eligibility.

Section 12.3. Non-Vacation to Vacation Placement.

Employees who work in a non-vacation eligible position and are hired into a vacation eligible position, will be placed on the vacation schedule based on the FTE of the position that the employee held as of December 31 of the school year in question. For example, if an employee worked in a 6 hour/day, 190 day/year position (FTE of .548) as of December 31 of the 2014/15 school year then switched to a 5 hour/day position effective January 1 (FTE of .456), credit would be given for .548 years for the 2014/15 school year. Each year's FTE will be evaluated in the same manner and then added together to reach a cumulative year's of service.

ARTICLE XIII

SENIORITY

Section 13.1. Seniority Within Current Classification.

Seniority, as referenced herein, means seniority within the employee's current job classification, or any job classification in which the employee has worked as a regular, not substitute, District employee. Seniority begins on the employee's first day of regular employment in the specific job classification.

Section 13.1.1.

Hire date is defined as the employee's earliest date of continuous regular, not substitute, employment in the District.

Section 13.1.2.

In the event more than one person is hired on a given date, ties in seniority will be broken by lot (a drawing of names from a hat).

Section 13.1.3.

If a position is offered to the person who has been substituting in the position for five (5) to ten (10) consecutive days prior to the position closing, seniority date will be the day after the posting closed. If the person has been substituting in the position longer than ten (10) consecutive days, seniority date shall be retroactive beginning with the 11th day in the position.

Section 13.1.4.

Employees who have lost a position due to the termination of a temporary assignment shall retain seniority for a period of one (1) year from the date of termination of the temporary assignment.

Section 13.2. Loss of Seniority Rights.

The seniority rights of an employee shall be lost for the following reasons:

- A. Resignation;
- B. Discharge for any reason contained in this agreement;
- C. Retirement;
- D. One year after a change in job classification within the bargaining unit
- E. Acceptance of a non-represented position.

Section 13.3. Retention of Seniority Rights.

Seniority rights shall not be lost for the following reasons, without limitation:

- A. Time lost by reason of industrial accident, industrial illness or jury duty;
- B. Time on leave of absence granted for the purpose of serving in the Armed Forces of the United States;
- C. Time spent on other authorized leaves of absence, not to exceed one (1) year; or
- D. Employee on layoff status for up to twenty-four (24) months from date of layoff.
- E. Acceptance of a non-represented position

1 **Section 13.4. Preferential Seniority Rights.**

2 The employee with the greatest seniority by building shall have absolute preferential rights regarding
3 shift selection, vacation periods, and special services.
4

5 **Section 13.5. Preferential Seniority Rights (Promotion).**

6 The employee with the greatest seniority shall have preferential rights regarding promotions,
7 assignment to new or open jobs or positions, and layoffs when ability and performance are
8 substantially equal with individuals junior to him/her.
9

10 **Section 13.5.1.**

11 If the District determines that seniority rights should not govern because a junior employee
12 possesses ability and performance substantially greater than a senior employee(s), the District
13 shall set forth in writing to the employee(s), who applied for the position its reasons why the
14 senior employee(s) was (were) bypassed.
15

16 **Section 13.6. Preferential Seniority Rights (Classification).**

17 Any qualified employee who makes application to fill a vacancy in another classification shall have
18 preferential seniority rights over any applicant outside the bargaining unit who applies for the vacancy.
19 If there are no applicants from the appropriate classification, hire date shall apply, subject to the
20 District's right to disregard seniority on the basis of ability and performance as referenced in Section
21 13.5.1.
22

23 **Section 13.7. Temporary Position.**

24 When a temporary position is awarded it shall be paid at the appropriate rate in Schedule A and
25 seniority provisions shall be applied as aforementioned in this article.
26

27 **Section 13.8. Reductions in Work Force.**

28 **Section 13.8.1. Elimination of a Position.**

29 When an employee's position is eliminated, the employee may opt to be voluntarily placed in
30 layoff status pursuant to Section 15.5, or to use their seniority to bump into the position held by
31 the most junior employee in the classification with the same number of work hours; provided,
32 they are qualified for the position pursuant to Section 13.5.1. Should there be no junior
33 employee with the same number of work hours, the employee may bump the most junior
34 employee in substantially equal position [within one-half (½) hour.] Should there be no
35 substantially equal position, the senior employee may bump the most junior employee in a
36 position as closely matching in hours as possible in order for the senior employee to retain
37 work hours. The employee who has been bumped may then opt to use their seniority in the
38 same manner. The bumping procedure may not be used to increase work hours, or hourly rate
39 of pay. Increases in hours may be achieved through the bidding process for new or open
40 positions pursuant to Section 13.9. Employees who bump into a position are excluded from the
41 reassignment options in Section 14.2. In the event there are no remaining positions to bump
42 into, the employee shall be in layoff status and placed on a reemployment list pursuant to
43 Section 15.5.
44
45
46
47
48

1 **Section 13.8.2. Reduction of an Hour or More.**

2 When an employee's position has been reduced by an hour or more a day per week within a
3 school year, the employee may opt to remain in the position and forfeit any bumping or layoff
4 status rights associated with the reduction, or the employee may opt to use their seniority to
5 bump into the position held by the most junior employee in the classification with the same
6 number of work hours; provided they are qualified for the position pursuant to Section 13.5.1.
7 Should there be no junior employee with the same number of work hours, the employee may
8 bump the most junior employee in a substantially equal position [within one-half (½) hour].
9 Should there be no substantially equal position, the senior employee may bump the most junior
10 employee in a position as closely matching in hours as possible in order for the senior
11 employee to retain work hours. The employee who has been bumped may then opt to use their
12 seniority in the same manner. The bumping procedure may not be used to increase hours, or
13 hourly rate of pay. Increases in hours may be achieved through the bidding process for new or
14 open positions pursuant to Section 13.9. Employees who bump into a position are excluded
15 from the reassignment options in Section 14.2. In the event there are no remaining positions to
16 bump into, the employee shall be in layoff status and placed on a reemployment list pursuant to
17 Section 15.5.

18
19 **Section 13.8.3.**

20 Reductions of less than an hour are not subject to the provisions of Section 13.8.2.

21
22 **Section 13.8.4.**

23 Student specific paraeducator positions advertised as "should the student withdraw from the
24 district, this position will no longer exist" are not subject to the provisions of Section 13.8.1.
25 and 13.8.2. except as part of reduction processes that occur during the summer months. During
26 the school year, student specific positions may not create a bump or be bumped. Paraeducators
27 whose positions are eliminated or reduced for an hour or more a day can "opt" to either accept
28 or decline a student specific position when offered during the bumping process. If they decline,
29 then they will be offered a substantially equal position that is not student specific, if one is
30 available.

31
32 **Section 13.8.5.**

33 Should a position be eliminated or reduced by an hour or more at the end of a school year, if
34 the employee in that position has chosen to exercise his/her right to bump to a less senior
35 employee's position for the following school year and then that employee applies for and is
36 awarded an open position before the start of the next school year, all subsequent bumps that
37 took place as a result of the first bump will be null and void and all employees will return to
38 their original positions for the following school year, provided that those positions still exist
39 and are not reduced by an hour or more per day.

40
41 **Example:** Person A's position is eliminated and they choose to bump to Person B's position.
42 Person B bumps to Person C's position. Person C goes into layoff status. During the summer,
43 person A applies for and is awarded a new position prior to the start of the school year.
44 Subsequently Person B and C go back to their original positions.

1 **Section 13.9. Postings and Notifications.**

2 The District, prior to filling any new or open position within the bargaining unit, shall post said
3 available openings for a period of not less than five (5) working days. During the period of time
4 between the last day of school to the first day of school, the District shall post said positions not less
5 than ten (10) working days. All postings will be available on the Kelso School District website. The
6 Association president shall be furnished a notice of position openings.

7
8 **Section 13.9.1.**

9 In the event incremental bits of time are added to a position that total an hour or more a day per
10 week within a school year, the position shall be opened for bidding by seniority. Increases
11 totaling less than an hour a day per week are not required to be posted. Intermittent time
12 increases will be averaged over the entire work week in order to get an average daily time
13 increase. For example: an increase in time to a five day position of 1.5 hours on Wednesday
14 only results in an average .3 hour increase per day and, therefore, is not required to be posted.

15
16
17
18 **ARTICLE XIV**

19
20 **PROBATIONARY PERIOD**

21
22 **Section 14.1. Probationary Status.**

23 Each new hire shall remain in a probationary status for a period of ninety (90) position working days
24 following the hire date and must remain in the position until probationary status is completed. During
25 this probationary period, the District may discharge such employee at its discretion.

26
27 **Section 14.2. Trial Periods.**

28 An employee who transfers to a new or open position will be given up to a ninety (90) working days
29 trial period and if the position proves unsatisfactory to either the employee or the supervisor, the
30 employee or supervisor will provide the District reasons (in writing) for deeming the position
31 unsatisfactory. The employee will be reassigned to their former position, provided the former position
32 still exists. Employees who accept a trial period position may not apply for other vacancies in the
33 District until they have completed their ninety (90) position working days in the trial period position.
34 Exceptions will be made only to allow employees to substantially increase their hours or to move to a
35 higher paid position on the salary schedule (i.e. custodian to head custodian or food service helper to
36 building lead). The District will communicate any expected changes to the former position at the time
37 the employee indicates intent to transfer. When a permanent bargaining unit employee accepts a trial
38 period position, the position vacated will be posted, provided the former position still exists.

39
40 **Section 14.3. Probationary Periods and Layoff.**

41 A permanent or temporary employee who receives notification in writing from Human Resources of
42 the elimination of their current position, may apply for new or open positions. If the permanent or
43 temporary employee is currently in probationary status and is awarded a new or open position in the
44 same classification and with the same evaluator, the employee may carry their days worked in
45 probationary status into their new position. If the employee accepts a position within a different
46 classification or with a different evaluator, their term of probation shall begin on position work day one
47 (1) in their new positions and continue for ninety (90) days.

1 **Section 14.4. Temporary Employees Returning from Layoff.**

2 Temporary employees who have completed a ninety (90) day probationary period during their
3 temporary assignment and are returning from layoff status shall be given up to a sixty (60) day trial
4 period. If the position proves unsatisfactory to either the employee or the supervisor, the employee will
5 be returned to layoff status and will retain seniority. For employees accepting a job in a new
6 classification, and evaluation will be given at thirty (30) work days by the administrator of the building
7 where the employee works to offer the employee and the administrator the opportunity to review job
8 performance. Employees who did not complete a ninety (90) day probationary period during their
9 temporary assignment will be subject to the conditions in Section 14.3.

10
11
12 **ARTICLE XV**

13 **DISCIPLINE AND DISCHARGE OF EMPLOYEES**

14
15
16
17 **Section 15.1. Justifiable Cause.**

18 The District may discipline or discharge any employee subject to this agreement for justifiable cause.

19
20 **Section 15.2. Grievance Process.**

21 The issue of justifiable cause shall be resolved in accordance with the grievance procedures of this
22 agreement.

23
24 **Section 15.3. Progressive Discipline.**

25 The employer recognizes the principle of progressive discipline and agrees to follow such principle in
26 the following manner.

27
28 **Due Process**—Any disciplinary action taken against an employee shall be appropriate to the
29 behavior which precipitates said action. The employer agrees to follow a practice of
30 progressive discipline except in those situations of a severe and/or emergency nature. If the
31 employee wishes, he/she should be accompanied by an Association representative at such
32 discussion. In the above procedure, the employee shall be afforded an opportunity to review all
33 evidence and answer alleged charges before discipline is administered.

34
35 **Section 15.4. Notification To Non-Annual Employees.**

36 This section is intended to be applicable to those employees whose duties necessarily imply less than
37 twelve (12) months (excluding vacations) work per year.

38
39 **Section 15.4.1.**

40 Should the District decide to discharge any non-annual employee, the employee shall be so
41 notified in writing prior to the expiration of the school year. Enforced budgetary curtailment
42 will apply.

43
44 **Section 15.4.2.**

45 Nothing contained herein shall be construed to prevent the District from discharging an
46 employee for acts of misconduct occurring after expiration of the school year.

1 **Section 15.4.3.**

2 Nothing contained in this section shall in any regard limit the operation of other sections of this
3 article.

4
5 **Section 15.5. Reemployment List.**

6 In the event of layoff, employees so affected shall be placed on a reemployment list maintained by the
7 District according to layoff ranking within the classification. After the bidding process offered to
8 current employees, employees on the reemployment list shall be offered by seniority any new or open
9 position over any other applicant not in that classification or from outside the District. Names shall
