

WE ARE...

What does "WE ARE"
mean to YOU?

Dear KSD Community,

Our Kelso community has been defined as strong, connected, rich in tradition, and more.

We want to know, when YOU think of Kelso, how would you finish the phrase: [WE ARE....?](#)

Please share with us in [this Thoughtexchange](#), and return frequently to rate the thoughts shared by others before the Thoughtexchange closes at midnight on October 19, 2022.

Thank you for being a very important part of what WE ARE means to us!
