## Key Thoughts...

### Parents/Guardians

#### **Stronger united.**

It is important for children to stick together and help each other so school is better served without bullying.

#### **Community.**

Kelso and its schools have been diligent in creating a community for all. We stand together in times of joy and sadness. We are Kelso.

#### **Kelso is a culture of grit, strength, & tradition.**

WE ARE defines the attitude and heart that our kids have been a part of in Kelso. Thank you staff.

### Students

#### **Strong and independent.**

I feel like it's important because in this school district people are mentally strong and can do anything on their own.

#### **United.**

It's important because we are all different in our own ways but are still a school family and stand together.

#### **We are together.**

Because we are all on this crazy ride on earth together facing the challenges together.

### Staff

#### **Community.**

I have seen us come together time and time again to support our kids and adults! We pass our levies and bonds and rally behind the blue and gold.

#### **Family.**

My Kelso family is super important to me. We are truly stronger when we stand together.

#### **Committed.**

Committed to 100% and success of all Kelso students.
