Dr. Todd A. Hellrigel, Superintendent

Date: August 1, 2022
To: Parents and Staff
Re: Annual Integrated Pest Management Plan Notice

This is to inform you that Midwest Central Community Unit School District #191 has adopted an Integrated Pest Management Plan (IPM) as prescribed by law. Mike Gosnell is our coordinator and all inquiries and correspondence should be directed to him.

IPM is a proactive approach where chemical application will be the last option to control or eliminate pests. A general notice will be placed in the mail room at each building 48 hours prior to chemical application. The law requires that Midwest Central establish a registry of all staff and parents who would like to be personally notified 48 hours before any chemical applications. If you would like to be personally notified please send your name, address, telephone number and email address to:

Mike Gosnell
Midwest Central Primary School
450 Southmoor St.
Manito, IL 61546

Should you have any questions, please feel free to contact Mike Gosnell.

Sincerely,

Todd Hellrigel, Ed.D.
Superintendent
