Re: Notification of Accelerated Placement Program

Dear Raider Parent:

Students at Midwest Central Schools are eligible to participate in the Accelerated Placement Program (APP). The APP is outlined in Board Policy 6:135. Options for acceleration include, but may not be limited to: (a) accelerated in a single subject, (b) other grade level acceleration, (c) early entrance into kindergarten or first grade.

The APP is open to all students exhibiting a high level of academic ability. A referral may be made by submitting written notification to the building principal where the student will attend.

Referrals must:

- Be made by the end of the 1st or 3rd quarter of the current school term in order to be considered for placement the following semester.
- State the type of acceleration desired and the reason for believing it necessary.
- State that you give Midwest Central CUSD 191 permission to conduct an evaluation of your student.

Once the written referral has been received an evaluation team will convene to determine the students eligibility. The evaluation will be completed as quickly as possible but may take up to 60 days. Parents will be notified in writing of the teams decision.

For more detailed questions, contact Superintendent, Dr. Todd Hellrigel or refer to policy 6:135 on the district website, www.midwestcentral.org.

Sincerely,

Todd Hellrigel, Ed.D.
Superintendent
