June 9, 2021

Hello,

As we are bringing our year to a close, I wanted to send out some information. As I have mentioned in the past, we are looking forward to greeting our students back in the fall for full day live instruction. The hours of the school day will be 8:00 a.m.-2:34 p.m. at EVG and 8:15 a.m. - 2:49 p.m. at GW. Over the summer, the administrative team will be working diligently to create a safe full day experience for all of our students. We will be sending out more information in August.

As you may have heard, the New Jersey Department of Education (NJDOE) and the Governor released updated information on face coverings. Effective immediately, students and guests attending outdoor End-of-Year Events no longer have to wear face coverings.

The Governor did send out some information on social media regarding easing restrictions for mask coverings in schools due to extreme heat. Fortunately, in Edgewater, we have air conditioning in all our classrooms that are being used this school year, so we will continue our present protocols for the last few days of school. We are happy to see so many families are comfortable sending their students to school for live instruction. If you have any concerns regarding your child in school, please reach out to the building principal.

Additionally, we will be filing a Safe Return to In-Person Plan with the NJ Department of Education on June 24, 2021, as required by the Federal American Rescue Plan Act. The plan will be shared on Friday with the community in our weekly email. This will allow the community to provide feedback. Please send feedback to my office.

As always, thank you for your cooperation and continued support.

Sincerely,

Siobhan Tauchert
