To Bangor Township Drama Students and Families:

We are delighted to announce Ms. Erin Arndt will be instructing JGHS drama classes and joining our Bangor Township Performing Arts program beginning Fall 2021.

Ms. Arndt is a JGHS alum from the Class of 2014 and she was exceptional onstage in her performances at John Glenn. She comes to us after studying at the AMDA College of Performing Arts in New York City. She is prepared to nurture and strengthen the creative minds of our thespians through her passion of performance education, and is devoted to continuing Bangor Township School's strong tradition of excellence. Ms. Arndt will partner with Mrs. Jeanna Peglow and Ms. Anna Doering on all productions throughout the school year, and is humbled to join such an auspicious program.

We appreciate the hard work and dedication Mrs. Peglow and Ms. Doering have given the program through a truly challenging year, and for granting our students the opportunity to perform during this uncertain time. Your dedication to our students and program has helped create a reputation for impeccable productions and performers.

Thank you to the entire performing arts community for your patience as we worked diligently to fill this position and ensure the Bangor Township Performing Arts program received the best guidance possible. We are eager to watch the program continue to grow and create amazing productions, as it has over the past 30 years.

Sincerely,
Matt Schmidt
Superintendent of Bangor Township Schools
