BANGOR TOWNSHIP SCHOOLS PLAN TO RETURN TO TRADITIONAL IN-PERSON LEARNING IN FALL 2021

June 9, 2021

With positive cases on the decline and restrictions relaxing, the 2021-2022 school year should allow Bangor Township Schools to return to the normal routine we have been hoping for. Upon return on August 30th, Bangor Township Schools intend to **have traditional school days with in-person learning**, student locker usage, a conventional lunch period and recess, and all the other events that accompany a traditional school day and year. Desk shields have been removed for the remainder of the current school year, and we hope to be mask-free in the near future. Our students need the normal routine back, and we are ready to see their smiling faces again.

We would like to thank our families and our community for the support of our students and their well-being as we navigated a year unlike any other. Thank you for trusting us with the safety, care, and education of your children. Thank you for staying engaged and motivated through every change and barrier we encountered. We hope we reinforced your trust in us throughout the pandemic and helped to assist you inside and outside of the classroom during this unprecedented time. Our ability to work together and to trust each other is what makes our school district and community so exceptional.

We look forward to **opening our doors on Monday, August 30th for a normal school year.**
