

**\*\*\*\*PLEASE WAIT TO PURCHASE YOUR CHROMEBOOK COVER  
UNTIL YOUR CHILD RECEIVES IT AS THEY MIGHT RECEIVE A  
DIFFERENT MODEL THAN WHAT IS LISTED BELOW**

Although we do not require our students to buy cases or bags for their chromebooks, we highly recommend you do. We've found that those students who utilize cases/bags do not have cracked screens or broken hinges when dropped, thrown into lockers, or textbooks piled on top of them. Each time this happens, it costs the students as the \$35 technology fee does not cover this.

Chargers cost \$30, and screens cost \$50.

Listed below are the students' models of chromebooks and a few sites that carry cases and bags; Target and Walmart also carry them. Amazon and Ebay are also good places to look.
