

All About Your Teacher

Hello Future 4th Graders!

My name is Ms. McMaster and I am very excited to join the 4th grade team at Frenchtown Intermediate School. I am thrilled to be your teacher next year and am looking forward to a year of learning and adventure. I can't wait to get to know all of you, but first I will tell you more about me.

I was born in Great Falls, MT and graduated from Great Falls High School. I attended college at the University of Montana, Missoula and online at Concordia University - Portland. I have lived all over Montana and am looking forward to living in Missoula again!

I began my teaching career by teaching 1st grade in Colstrip, MT before moving to Ennis to work for Altacare for two years. I then moved to 3rd grade in St. Ignatius for two years followed by teaching 5th grade in Polson for two years.

When I'm not at school I love exploring and hiking with my dogs, Honey and Luna. I've lived on the lake for almost 3 years now and can be found fishing, paddle boarding, or swimming. Now that I'm back in Missoula, I plan to spend all my time at the river. During the winter, I love snowboarding at as many of the Montana hills as possible. I played soccer my entire life and recently coached high school and U11. I also play rugby and love working out!
