Name of Agency	Program	Program Details	Follow Up Required?	For kids (if so, what ages)	For Families? (Y or N)	Contact Name	Contact Phone	Contact Email
Geneva Public Library	Stop Motion Workshop	Join us as we explore the very fun and creative world of stop motion animation! Students will learn the importance of planning, creating and executing their visions into an animation for all to see!						
	June 14, 16, 21, 23 12:30 pm - 2 pm (July and August dates TBA)	Full details at <a href="http://acdi.info">acdi.info</a> Events	Not required, but suggested for completion of all aspects	Elementary - Teen	Y	Cindi Cmic	440-466-4521	
Geneva Public Library	Coding Club	Join us as we work together to learn computer coding from the basics to intermediate level. This is a club where students work on their own projects, at their own pace, and they often work together. We learn from each other and work to help each other achieve goals and crush those "bugs"!	Not required, but suggested for completion of all aspects	(Elementary - Teen) Participants should have good knowledge of keyboard	Y	Cindi Cmic	440-466-4521	
Ashtabula County Mental Health & Recovery Services Board	Parent PAX Training	2, Two hour trainings for any parents who are Interested. The PAX Good Behavior Game is provided in Geneva Elementary School classrooms and the trainings I offer are for parents/youth workers who would like to continue PAX in the home (Basically teaching behavior/self regulation).						
		PAX Tools goes through the 9 evidence-based kernels for teaching behavior and PAX for School at home take 5 of those kernels and helps teach parents way to regulate students behavior while doing school work at home. I would be happy to offer either of those trainings if you have any parents who may be interested.	Yes	No	Y(parents)	Kaitie Park	(440)992-3121	kpark@ashtabulamhs.org
Lakeland	Summer STEAM Camps K-2	Join us for four weeks of different weekly experiences to enhance the discover of new hobbies and explore favorite interests. Each week will include a variety of STEAM (Science, Technology, Engineering, Art and Math) activities while promoting social opportunities and creative outlets. All activities will inspire curiosity, spark imaginations and enrich your child's summer in a safe environment.  We are offering four different one-week camps, each with a unique theme:  June 7 - 11   Mighty Marine Biologists explore Ocean Week June 14 - 18   Astonishing Astronomers explore Space Week June 21 - 25   Eager Environmentalists explore Environment Week June 28 - July 2   Enthusiastic Engineers explore Build It Week The cost for each week is \$235. Sign up for all four weeks or individual weeks. Each week has a maximum capacity of 25 children. Camps take place 9 a.m. - 3 p.m. Monday - Friday. <a href="https://myportal.lakelandcc.edu/camps">https://myportal.lakelandcc.edu/camps</a>	Yes	Y (K-2)	N	Cris Vanek	440.525.7196	<a href="mailto:cvanek@lakeandcc.edu">cvanek@lakeandcc.edu</a>
Ashtabula County 4-H Camps	Day camps and overnight camps	<a href="https://ashtabula.osu.edu/program-areas/4-h-youth-development/ashtabula-county-4-h-camps">https://ashtabula.osu.edu/program-areas/4-h-youth-development/ashtabula-county-4-h-camps</a> or <a href="https://www.4hcampwhitehood.com/campers-and-families">https://www.4hcampwhitehood.com/campers-and-families</a>
