

IPM 2 Day Notification

June 11, 2021

When necessary, the Brewer School Department applies specific herbicides and pesticides for both weed and grub control.

Weather permitting, Green Thumb Lawn Service will be performing the weed control application to the BCS track on Wednesday, June 16th 2021 with a rain date of Thursday, June 17th 2021. Please observe all postings, and keep off all treated areas during the application and until dry.

The chemical being applied is MEC AMINE-D
(EPA Registration No. 34704-239).

If you have any questions or concerns, please contact Lucas Graychase, Brewer School Department's Integrated Pest Management Coordinator, at 989-8664.
