Click **Close** to close the message.

Return to ParentPortal, and log on using your user name and password.

III. Change the language.

By default, ASCENDER ParentPortal is displayed in English. To access ParentPortal in Spanish, select *Spanish* from the drop-down field in the top-right corner of the Login page.

Your language selection will be retained for the current session.

Some content will only be displayed in Spanish if the district has provided Spanish content; otherwise, English content is displayed.

MOBILE DEVICE USERS: On a mobile device, tap the menu in the top-right corner to access the language field.

IV. Access public documents.

From the Login page under ***District Name Documents***, click **View/Download Documents** to go to the [Public Documents](#) page where you can access documents provided by the district or campus that do not require a login, such as a calendar or sports schedule.

V. Navigate ParentPortal.

Navigation tools are located along the left side of the page, or in the top-right corner. Some tools function differently on mobile devices.

MOBILE DEVICE USERS: On a mobile device, tap  to access the side menu.

Selected Student

The currently selected student's name and photo are displayed in the top-left corner. The photo is only displayed if provided by the district.

If you have multiple students added to your ParentPortal account, click  next to **My Students** to select a another student.

Add a Student

Click **Add Student** to add a student to your ParentPortal account. A pop-up window opens.

Campus

The campus attended by the selected student is displayed. If the student attends multiple campuses, you can select the campus.

Navigation

You can access your student's data. Data is only available if enabled by the district.

Summary - Your student's schedule, current average for each class, and today's attendance are displayed.

Attendance - You can view your student's detailed attendance, as well as a calendar view and totals.

Grades - You can view your student's semester, cycle, and assignment grades. Click  to expand the grades menu.

Discipline - You can view your student's discipline incidents.

Immunizations - You can view your student's immunizations on file at the campus, as well as a list of immunizations due.

Alerts - You can view alert messages and set up customized alerts.

Links - Your district or campus may provide helpful links.

If necessary, click Re-send to resend the message.</p>
Confirm Email Address	<p>Retype the email address to confirm that you typed it as intended.</p>

Click **Verify Email Address**.

You will receive an email message at that address containing a verification link.

If you entered an email address when you registered for this parent portal account, you should have received an email message in your inbox with a code allowing you to verify your email address.

Click **Validate email**.

A message is displayed indicating that your email was successfully verified.

Once you have verified your email address, you can click **Remove Email** at any time to remove and/or change the email address registered, or to remove the email address.

- If you click **Remove Email**, the current email address is removed.
- The email address field is displayed allowing you to verify another email address.

If you remove or change your email address, your alert notification options will be reset. To reset your alerts, go to Alerts > Subscribe to Alerts and set the **Alert Notification Type** field according to your preferences. The option to receive alerts by email will not be available unless you have an email address successfully verified.

Mobile

Registering your mobile phone number enables you to receive alert notifications as text messages.

IMPORTANT: If you change cell phone carriers, you may stop receiving alert messages, and you may need to re-register the number.

Mobile Number	Type the cell phone number to be registered in the AAANNNNNNN format, where AAA is the area code, and NNNNNNN is the number. Do not use hyphens.
----------------------	---

☐ Click **Verify Mobile**.

You will receive a text message at the number entered which will contain a verification code.

The **Verification Code** field will appear.

Contact Information

Email Address: Remove Email

Mobile Number: Remove Mobile

A verification code was sent to . To verify your mobile number, type the code below and click Verify.

Verification Code: Verify Re-send

Verification Code	Type the verification code that was sent in the text message.
--------------------------	---

☐ Click **Verify**.

- If the code was entered accurately, a message is displayed indicating that you have successfully signed up to receive text messages.
- If the verification code is unsuccessful, click **Re-send** to send a new code.

Change or remove your mobile number

Once you have verified your mobile number, you can click **Remove Mobile** at any time to remove and/or change the cell phone number registered.

- If you click **Remove Mobile**, the current number is removed.
- The mobile number fields are displayed allowing you to verify another number.

III. Update your ParentPortal password.

ASCENDER ParentPortal > My Account > Security Information

Password

You can update your ParentPortal account password at any time.

The screenshot shows the 'Security Information' page. At the top left is a magnifying glass icon and the text 'Security Information'. At the top right is an orange upward-pointing arrow. Below this are three input fields: 'Password:' with a masked password '*****', 'Security Question:' with the text 'what is your fav color', and 'Answer:' with the text 'blue'. To the right of the Password field is a dark grey button labeled 'Update Password'. To the right of the Security Question field is a dark grey button labeled 'Update Security Question'.

Click **Update Password**.

A pop-up window opens:

The screenshot shows a dialog box titled "Update Password" with a search icon on the left and a close icon on the right. Inside the dialog, there are three input fields labeled "Old Password:", "New Password:", and "Confirm Password:". At the bottom right of the dialog, there are two buttons: "No" and "Save".

Old Password	Type your current password in order to verify your access.
New Password	Type a password that you will use when you log on to ParentPortal. <ul style="list-style-type: none"> • The password must be 8 to 25 alphanumeric characters. • Use a combination of the following: uppercase, lowercase, numeric, and/or punctuation (e.g., aBcd1234). • Your password is case sensitive (i.e., you must always type it exactly as it is entered here, including uppercase and lowercase letters).
Confirm Password	Retype your password exactly as it was typed above. This step confirms that you typed your password as you intended.

Click **Save**.

The password is changed.

[IV. Update your security information \(hint questions\).](#)

ASCENDER ParentPortal > My Account > Security Information

Security Questions & Answers

Security questions and answers are used to verify your identity if you have forgotten your password. You can change the question, the answer, or both at any time.

The screenshot shows a 'Security Information' page. It has three input fields: 'Password' (masked with dots), 'Security Question' (containing 'what is your fav color'), and 'Answer' (containing 'blue'). To the right of each field is a dark grey button: 'Update Password', 'Update Security Question', and 'Update Password' (repeated). There is a search icon and a back arrow in the top right corner.

□ Click **Update Security Question**.

A pop-up window opens.

The screenshot shows a 'Update Security Question' pop-up window. It has a title bar with a lock icon and a close button. The main content area has two fields: 'Question' (a dropdown menu with 'what is your fav color' selected) and 'Answer' (a text field with 'blue' entered). At the bottom right, there are two buttons: 'No' and 'Save'.

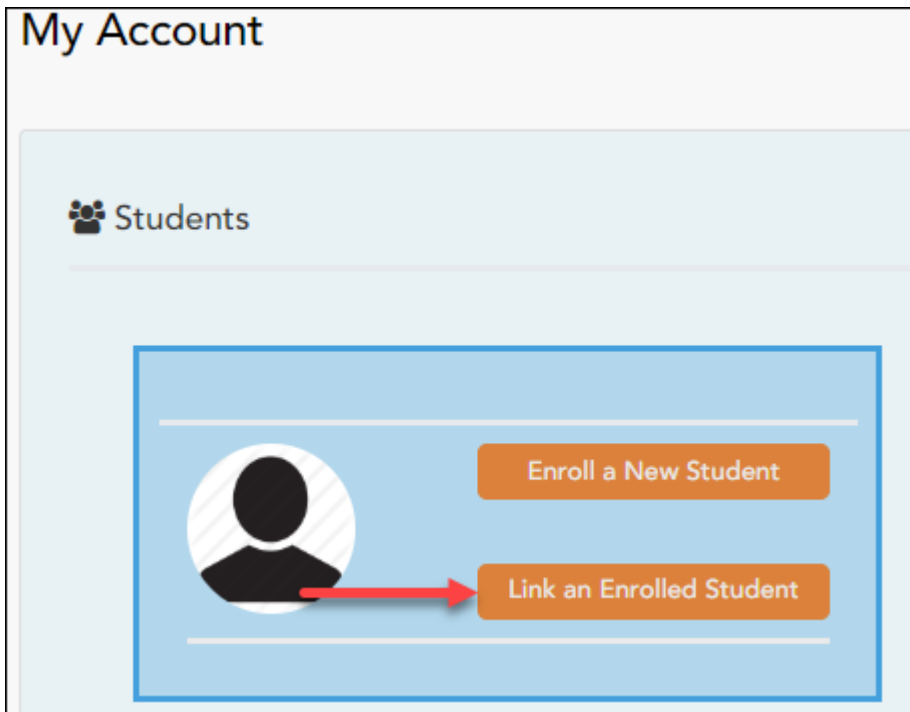

Question	Select a question to which you will provide an answer. This question will be asked in the event that you lose your password.
Answer	Type the answer to the question. You will be required to answer the question correctly in order to recover your password. Be sure to select a question for which you will easily remember your answer. IMPORTANT: The answer is case-sensitive (i.e., you must always type it exactly as it is entered here, including uppercase and lowercase letters).

□ Click **Save**.

View Your Student's Information

I. [Link an enrolled student.](#)

ASCENDER ParentPortal > My Account

Click **Link an Enrolled Student**.

A pop-up window opens allowing you to add a student to your ParentPortal account.

 Link an Enrolled Student
✕

Obtain the ParentPortal ID from the student's campus.

ParentPortal ID:

Birth Date (MM/DD/YYYY): • (Ex: 03/11/1994)

Student Portal ID	Type the ParentPortal ID provided by the student's campus. If you do not have this ID, you must contact the campus to get the ID. You cannot add a student without entering a valid ParentPortal ID. The ID is case sensitive and must be entered exactly as it appears (example: qbQgk3qAs2z).
Birth Date	Type the student's complete birth date. The date entered here must match the birth date in the student's record at the campus. You cannot continue without entering the correct birth date.

Click **Add**.

If your student was successfully added to your account, the student's name will appear on the page. You will now be able to access your student's data.

II. [View the Summary page and your student's information \(if available\).](#)

ASCENDER ParentPortal > Summary

The Summary page is the first page displayed when you successfully log on to ASCENDER ParentPortal. This page provides your student's schedule, current average for each class, and attendance for the current date. You may also see a district or campus message if available.

If your student's report card or IPR is available, a link is provided.

Mobile App Features

The ASCENDER ParentPortal uses a Responsive Design approach, which means the software detects the screen size and orientation of your device, and changes the layout accordingly so that you have the best viewing experience.

Some features you may experience as the screen gets narrower:

- The side menu will collapse (i.e., hide). Click  to view the side menu.
- Objects on the screen will shift from side-by-side to stacked vertically.
- Grids (such as the student's schedule) will adjust by hiding the columns, beginning with the column furthest to the right. Tap the row to view any hidden data.

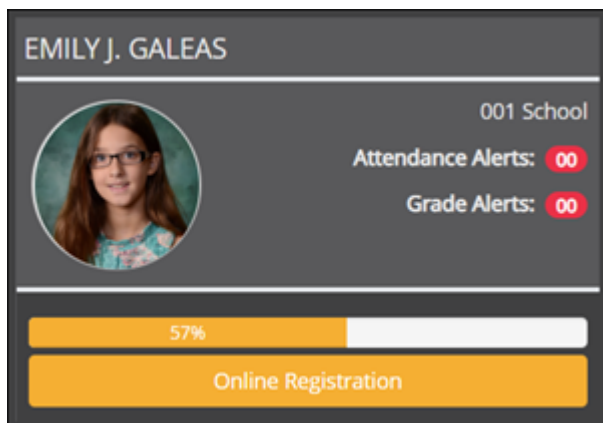

Some features you may experience as the screen gets wider:

- Buttons will get wider but not taller.

Select Summary from the Navigation menu to access this page.

Student Information

A student summary card is displayed for each student added to your account which displays the number of unread alerts for your student (according to your alert settings).

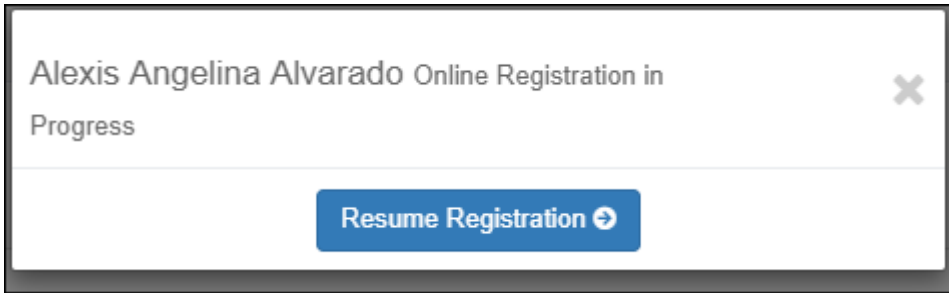

During the Online Registration period, additional information and tools are available on each student summary card.

Online Registration

During the annual online registration window:

You can easily see your student's progress in the registration process and access the page where you can complete the forms.

If your student's registration is in progress, a pop-up window opens from this page.

☐ Click **Resume Registration** to continue the registration process.

Or, click **X** to close the pop-up window and continue registration later.

Once you have completed registration, the pop-up window will no longer appear.

NOTE: On the Summary page, the **Registration** button will be red, yellow, or green depending on how far along you are in the process.

- The information is green if all forms are completed (i.e., 100%).

- The information is yellow if most of the forms are completed (i.e., 50%-99%).

- The information is red if fewer than half of the forms are completed (i.e., 0%-49%).

- The card is highlighted and has a check mark for the selected student.

To begin or resume the registration process, click **Resume Registration** on the pop-up window, or click the **Registration** button on the student's card.

The [Registration](#) page opens.

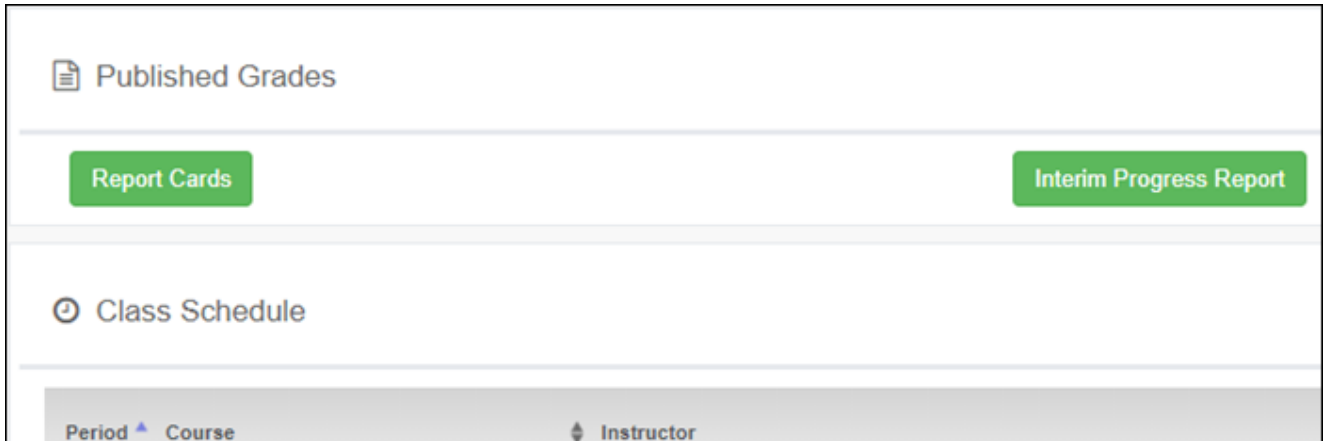

Campus Message

If campus notes have been entered, they are displayed.

MOBILE DEVICE USERS: On a mobile device, tap **View Campus Notes** to view any notes provided by the campus.

Published Grades

If your student's report card or interim progress report (IPR) is available, a button is displayed.

Click the **Report Cards** button to view the student's report card. If a skills-based report card is available, the **Skills Based Report Cards** button is displayed.

Resumen

ASCENDER ParentPortal > Resumen

La página de Resumen es la primera página que aparece cuando inicia sesión en ASCENDER ParentPortal. Esta página le muestra el horario de su estudiante, su promedio actual en cada clase, y su asistencia en la fecha actual. También podría aparecer un mensaje del distrito o del plantel.

Características de la aplicación móvil

El portal ASCENDER ParentPortal utiliza una estrategia de diseño adaptable, lo que significa que el software detecta el tamaño de la pantalla y la orientación de su dispositivo y cambia su presentación para ofrecerle la mejor experiencia en su navegación.

Algunas características que puede ver cuando la pantalla es más estrecha:

- El menú lateral se ocultará. Haga clic en  para ver el menú lateral.
- Los objetos en la pantalla dejarán de estar lado a lado y se apilarán de forma vertical.
- Las cuadrículas (como el horario del estudiante) se ajustarán ocultando columnas, comenzando con la columna de la derecha. Toque el renglón para ver los datos ocultos.

Algunas características que puede ver cuando la pantalla es más ancha:

- Los botones se harán más anchos, pero no más altos.

Para obtener acceso a esta página, seleccione Resumen en el menú Navegación.

Información del estudiante

Se muestra una tarjeta de resumen del estudiante para cada estudiante que añada a su cuenta, y en ella se muestra la cantidad de alertas no leídas del estudiante (de acuerdo con su configuración de alertas).

USUARIOS DE DISPOSITIVOS MÓVILES: En un dispositivo móvil, toque View Campus Notes (Ver notas del plantel) para ver los comentarios hechos por el plantel.

Horario de clases

Se muestra el horario de clases del estudiante si lo ha habilitado el distrito, incluyendo el período, el nombre del curso, el nombre del docente, el número de salón, la asistencia hasta la fecha y el promedio de calificaciones actual para cada clase.

USUARIOS DE DISPOSITIVOS MÓVILES: En un dispositivo móvil, inicialmente sólo pueden verse el periodo, curso y promedio actual. Toque un renglón para ver todos los detalles de cada clase.

Docente	Si el docente ha incluido una dirección de correo electrónico, su nombre aparece como un enlace a su dirección de correo electrónico. Si hace clic en el nombre, se abrirá su programa de correo electrónico predeterminado (especificado en su configuración de Opciones de Internet) con la dirección del docente en el campo Para: CONSEJO: Si usa un servicio de correo electrónico en internet (por ejemplo, Gmail o Yahoo! Mail), puede copiar la dirección de correo electrónico de su programa de correo electrónico a un mensaje de correo por internet.
	Si el docente ha escrito comentarios adicionales, haga clic en  para ver los comentarios. Los comentarios se abren en una ventana emergente. Haga clic en cualquier parte de la página para cerrar la ventana emergente.
Última actualización	Se muestra la última fecha en que el docente actualizó calificaciones o asistencia.
Promedio actual	Se muestra el promedio de calificaciones actual del estudiante en cada clase. Si el curso se ha configurado para mostrar calificaciones con letras, se muestran las letras. Si el curso no recibe calificaciones, en lugar de la calificación se muestra el mensaje "Curso no calificado".
Asistencia de hoy	Se muestra la asistencia de la fecha actual para cada clase, si se ha publicado. De lo contrario, el espacio estará en blanco. Si el estudiante está inscrito en una escuela primaria que solo tiene un período, se muestra una sola asistencia para todo el día.

Your student's schedule is displayed. The date appears in the column heading only if your student was marked absent or tardy for any period during that day.

If your student was present and on time for the entire day, nothing appears for the date.

If your student was not present for the entire class, a code appears for the period and date. A description of each code is displayed in the **Legend**.

Instructor	If the teacher has provided an email address, the teacher's name is displayed as a link to that email address. If you click the name, the default email client (as specified in your Internet Options settings) opens with the teacher's address in the To field. TIP: If you use web-based email (e.g., Gmail or Yahoo! Mail), you can copy the email address from the default email client to a web-based email message.
	If the teacher has provided additional notes, click  to view the notes. The notes open in a pop-up window. Click anywhere on the page to close the pop-up window.

STANDARDS-BASED GRADING: If the course uses the standards-based type of grading, assignments are associated with specific standards. For these courses, the **Standard Scores** heading is displayed in the table. For each assignment, all associated standards and grades are displayed. Note that assignments may have multiple standards. Also, an assignment may be associated with more than one standard, so you may see the same standard for multiple

assignments. The grade for the course is calculated from the scores for the standards, not the assignments.

Some districts use the name **SKILLS-REFERENCED GRADING** to refer to this grading type.

VII. View your student's immunization information.

Administrator	The name of the campus administrator who is handling the incident and taking action is displayed.

Additional comments about the discipline incident may be displayed in italic font below the fields, if entered by campus administrators.

Set Up and View Alerts

I. What are alerts?

Alerts are messages notifying you if the student has any grades or attendance information you should be aware of, such as an absence, tardy, or low grade.

- **View Alerts** - View alert messages that have been generated according to your alert subscription.
- **Set Alerts** - Change your alerts subscription at any time so that you only receive the alert messages you want to see.

By default, you are automatically subscribed to two alerts:

- Unexcused absence alerts, first occurrence of the day
- Failing grade alerts

You can change your alerts subscription at any time.

NOTE: To set up and receive alerts:

- Your email address must be verified on the [My Account](#) page.
- The same email address must be entered in your student's contact information record at the campus.
- You must set up alerts in ASCENDER ParentPortal.

If any of your students have alerts, the number of alerts is displayed next to the alert icon  in the top-right corner of every page in ParentPortal.

On any page in ParentPortal, click the alert icon  in the top-right corner. You can see the two most recent alerts for the student. To view all alerts, you must go to the Alerts page.

II. [View alerts.](#)

ASCENDER Parent Portal > Alerts

View Alerts is the default view.

The number of new, unread alerts is displayed in a red circle.

The complete alert message is displayed under **Description**.

If the student has more than one alert, the alerts are displayed in the order received, with the most recent alert at the top of the list.

Tips:

- New, unread alerts are bold.
- Once you have read an alert, you can select **Read**. The alert will be no longer be bold.
- Clear the **Read** check box to change the alert back to unread.
- You can adjust the page to show or hide any alerts you have already read:
 - To see only new, unread alerts, set **View Read Alerts** to **No**.
 - To see all alerts, set **View Read Alerts** to **Yes**.

III. [Set up attendance and/or grade alerts.](#)

ASCENDER Parent Portal > Alerts

Click or tap **Set Alerts**.

Alert preferences must be set for each student on your account.

Notification Type

Set Alerts

Notification Type:

Your email address or mobile number must already be verified on the My Account page.

How would you like to receive alerts: Email ▾

How would you like to receive alerts?

Indicate if you want to receive alert notices at your email address, sent as text messages to your cell phone, or not sent. This field is only displayed if the district has set up notification services.

Email - Receive alert notices by email. This option is only available if you have successfully registered your email address on the [My Account](#) page.

Text - Receive alert notices as text messages. This option is only available if you have successfully registered your cell phone number on the [My Account](#) page.

No alert - Do not receive alert notifications. You will still be able to view alerts once you have logged on to ParentPortal.

NOTES:

- Text alert notices will not contain the full information contained in the alert. The notice will simply inform you that you have one or more unread alerts in your account. You must log on to ParentPortal to view the alert message.

- If you were receiving email alert notices, and you removed or changed your email address on the [My Account](#) page, you will stop receiving alerts until you reset your **Alert Notification Type**.

There are three categories of alerts: attendance, class average, and assignment grades.

Attendance Alerts

Attendance alerts allow you to be notified if your student is marked late or absent.

Attendance Alerts

Allow up to one hour for changes to take effect.

Unexcused Absences: First occurrence only ▾

Excused Absences: No alert ▾

Tardies: No alert ▾

For each type of absence (Excused, Unexcused, and Tardy), indicate when you want to be notified:

No alert - Select if you do not want to be notified of your student's absences.

First occurrence only - Select if you only want to be notified of an absence for the first period the student is absent.

All occurrences - Select if you want to be notified of all absences for all periods of the day.

Class Average Alerts

Class Average alerts allow you to be notified if the student's grade average in a class falls below a specified grade. By default, you will receive an alert any time the student's grade average in a class falls below failing. You can change the alert by specifying another grade.

Class Average Alerts

An alert will be sent each time the student's average in any class falls below the threshold.

Set Class Average Threshold: Yes

Class Average Threshold: 70

Set Custom Average Threshold?	Yes - Change the grade average that triggers an alert. No - Leave the setting as it is (Current Selection).
Custom Average Threshold	If you selected Yes , type a numeric grade (0-110). Any time your student's average falls below this grade, you will receive an alert.

Assignment Grade Alerts

Assignment Grade alerts allow you to be notified if the student receives an assignment grade below a specified grade in any class. By default, you will receive an alert any time the student receives a failing assignment grade in any class. You can change the alert by specifying another grade.

Assignment Grade Alerts

An alert will be sent each time the student receives an assignment grade that falls below the threshold.

Set Assignment Grade Threshold:
