

Nyssa High School Supply List 22-23

For the first day of school each student needs only to bring some paper and pencil/pen. Each teacher will probably request specific supplies/materials for their classes. Every student should bring their own supplies, including (but not limited to):

- Pencils/Erasers
- Pens
- Colored Pencils
- Ruler
- Notebooks
- 3-Ring Binders with Dividers
- Index Cards
- Paper (College/Wide Ruled)

Physical Science and Advanced Science (Chemistry) students will need simple “pocket” folders with prongs. A cheap calculator is optional for Physical Science, but Advanced Science students will need a scientific calculator.

NHS DOES NOT PROVIDE TISSUES FOR STUDENTS. All students should provide their own boxes/packets of tissues (Kleenex).
