

American Rescue Plan: Safe Return to In-person Instruction and Continuity of Services Plan

Each district and community school should post on its local website a plan which includes, or will be modified to include, the extent to which it has adopted policies and a description of any such policies on each of the following mitigation strategies:

- Universal and correct wearing of masks:
Riverdale Local School will follow the Ohio Department of Health and Hancock County Board of Health guidelines.
- Physical Distancing:
Riverdale Local School will follow the Ohio Department of Health and Hancock County Board of Health guidelines.
- Handwashing and respiratory etiquette:
Riverdale Local Schools will continue with current handwashing and respiratory etiquette guidelines.
- Cleaning and maintaining healthy facilities, including improving ventilation:
Riverdale Local School will continue with the current cleaning and filter replacement guidelines.
- Contact tracing in combination with isolation and quarantine, in collaboration with the state, local, territorial or tribal health departments:
Riverdale Local School will follow the Ohio Department of Health and Hancock County Board of Health guidelines.
- Diagnostic and screening testing:
Riverdale Local School will follow the Ohio Department of Health and Hancock County Board of Health guidelines.
- Efforts to provide vaccinations to educators, other staff and students, if eligible:
Riverdale Local School will follow the locally approved Board policy regarding vaccinations.
- Appropriate accommodations for children with disabilities with respect to the health and safety policies:
Riverdale Local School will follow the locally approved Board policy regarding students with disabilities.

Each district and community school should post on its local website a plan which describes how it will ensure continuity of services including but not limited to:

- Services to address the students' academic needs, and students' and staff social, emotional, mental health and other needs, which may include student health and food services:
Riverdale Local School's District Leadership Team will review student data and identify both academic needs. The DLT will provide input into how to best support the identified needs throughout the instructional day or by offering services outside of the regular school day. They will also collect data on staff's social, emotional, mental health and other needs for determining how to best support the identified needs of staff.
- The LEA periodically reviews, no less frequently than every six months for the duration of the ARP ESSER grant period (i.e., through September 30, 2023), and revises its plan as appropriate:
The District Leadership Team at Riverdale Local School will meet quarterly to review students' academic needs, and students' and staff social, emotional, mental health and other needs and will revise our plan as needed to meet identified needs.
- The LEA seeks public input and takes such input into account on (1) whether revisions are necessary and, if so, (2) the revisions to the plan:
Riverdale Local School will request public input on whether or not revisions are needed and will make plan revisions if needed to meet identified needs.
