

The meeting was called to order at 5:10 pm on June 8th in the FBMS library and those present were: Berta Conner, Jace KILLSBACK, Emily KILLSBACK, Michelle Petersen, Tanya Bradley, and Susan Sharkey

Old business: The previous meeting was held on 5/10/21 and the 20-21 Title VI report was given. The budget areas of the grant were discussed and the Title VI application was approved by the committee to be submitted by Friday, May 14, 2021 by Susan Sharkey.

New business: It was noted that the 21-22 Title VI grant was approved for \$46,204. We reviewed the goals of the grant. The group discussed the need to begin thinking about the resources that would be needed for celebrating American Indian Week. The week for the celebration will be the last week of September (the week of September 27th). Susan reminded the group that we do not just do one week of activity to celebrate American Indians, but we implement Indian Education for All (IEFA) throughout the school year in all areas.

It was noted that Elton Harris was hired to be the Home/School Liaison for the district and acknowledged that he will be a great asset to our organization as well. We spent the remainder of the meeting working on the organization's by-laws as required by the government.

The next school board meeting is scheduled for Monday, June 14 and at that time the Title VI Indian Education report will be presented to the board.

The next IEC meeting will be held mid-August to begin to get people booked for the week of celebration and to approve the by-laws. Elections will take place as well. Attendees were reminded that letters are sent out 2 weeks prior to the meeting and notices are given on the school Facebook page as well as the school website and local newspaper.

The meeting was adjourned at 6:25 pm.
