

Dress Code 2021-2022 School Year

For the 2021/22 school year, LSA will once again have a relaxed dress code for all grades PK – 12th. Students may wear athletic attire, jeans, etc. to school. There are still no leggings, ripped jeans, immodest or inappropriate clothing allowed at any grade level. Shorts, both for PE and for school, should be an appropriate length. Students must have PE shoes at school if they have a PE class.

We do have a challenge for our students! On Wednesdays, we would love to see our students dressed up in their church clothes for Chapel. On Fridays, we will have Spirit Days – wear your LSA t-shirts, hoodies, etc. to show your school spirit!
