

IFCC Student Activity Trips

IFCC

- 1) All in-state student activity trips for competition and recognition will be funded 100% for lodging, meals and the most economical form of transportation for the sponsor and those students actually receiving an award or competing.
- 2) All Out-of-state student activity trips for competition and recognition will be funded 50% for lodging, meals and the most economical form of transportation for the sponsor and those students actually receiving an award or competing.
- 3) Out-of state student competitions must be for a state sanctioned organization.
- 4) The number of students attending is limited to those students who are actually competing or receiving an award and one sponsor. Meals will be paid at the approved board of education rate.
- 5) Any expenses incurred for additional days outside of the regularly scheduled event will not be funded. Additional days required to travel to and from the event are acknowledged as part of the regularly scheduled event.
