ATTENDANCE INFORMATION

Dear Parent/Guardian:

If your junior high child is absent, please call the junior high office at 563-4323. If your child is in high school, please call the high school office at 563-2014. Any JH/HS student who is late to school should first check in to their office. Upon a student's return from an absence, a note from parents explaining the reason for the absence must be provided to the school. If this procedure is not followed the absence will be deemed unexcused, and become permanent record. Students who fail to comply with this protocol may receive disciplinary consequences.

Requirements for an excused absence are as follows: personal illness, death in the immediate family, observance of a religious holiday, doctor or dentist appointments (note must be given to the office), family emergency (administrative discretion dictates), and situations beyond the control of the student as determined by administration.

Medical conditions and extended illnesses supported by a physician's note may be given special consideration by administration. Please be aware that unexcused chronic truancy warrants timely academic interventions and will be treated as a violation of state law. Please refer to the Student handbook for more information.

Sincerely,

Rachelle McDowell
