Re: Summer Food Service Program

Dear Parents/Guardians:

The State of New Jersey, Department of Agriculture, Division of Food and Nutrition offers free summer meals that are available to children 18 and younger through the Summer Food Service Program (SFSP). Meals and snacks are also available to persons with disabilities, over age 18, who participate in school programs for people who are mentally or physically disabled. The food service is healthy and follows federal nutritional guidelines. No application, ID, or proof of income is needed. You can just bring your child to a summer meals site in your community.
