

SportsYou

As a way to communicate with students and parents, the athletic department uses an app call SportsYou. SportsYou is a new free to use software platform and mobile app designed for school athletics. The athletic director and the coach can send information as a way to improve communication.

Due to the pandemic the athletic director and the coaches were unable to hold coaches meetings to see which students were interested in trying out for a particular team. Each team has been assigned a SportsYou code. If your child is interested in trying out for a particular team or wants to receive updated information about the upcoming middle school athletic season sign up for the specific sport/sports and use the correct access code.

Any questions please email the athletic office at cmistretta@whufsd.com or call the athletic office at 390-3253.

Chris Mistretta

Director of Health, Physical Education & Athletics
