CONGRATS TO THE CLASS OF 2021

BEST OF LUCK NEXT YEAR IN HIGH SCHOOL!!

So Long Nancy Longworth and Mr. Len Foreman

Nancy Longworth has been a part of Butteville over many years. Her roles at the school have taken many paths. She went from being a Butteville parent of three children who attended the school, to a paraprofessional, a cook, and currently as the business manager. She has developed many close relationships with staff, parents, and students during her tenure. After some reflection, she has decided to retire and move into her next phase of life. Best wishes from all of us to you, Nancy. You will be missed and enjoy your hand sanitizer!!

Mr. Foreman came to us 3 years ago to fill a leadership gap at our school. He "unretired" to help the school when we needed guiding light. He liked the school so much, he stayed with us beyond that first year. The school and community appreciate his hard work and dedication to keep the school moving in the right direction during a shaky time. I personally appreciate his mentorship over the past three years as he helped train me to take over the school as principal and superintendent. He promises to respond to my

phone calls and text messages when I need his sage advice - as long as it is after his golf game. Thank you Mr. Foreman for everything you've done for us!!

By the way, we are close to filling all of our teaching and aide positions. We will keep you posted on our progress.
