## **Article 6 - Working Conditions**

### **A. Hours**

1. Teachers are to be at their workstations fifteen (15) minutes before school starts and fifteen (15) minutes after school ends. The length of day, excluding lunch period, shall be equal in all buildings even though starting and ending times may vary.
2. The teaching assignment for teachers in grades seven (7) through twelve (12) will consist of six (6) classes and one (1) planning period. Most teachers will also have a homeroom, club assignment, or other extra-curricular activity, as has been the practice in the past.
3. A joint committee will be established to study alternative scheduling. The parties agree to negotiate a contract addendum upon the conclusion of this committee's study and recommendations.
4. All teachers shall be entitled to a duty-free, uninterrupted lunch period of thirty (30) minutes. Teachers are free to leave their respective buildings during the designated lunch period providing they inform the building administrator.
5. When special teachers are unable to report to work, the administration will attempt to hire substitute teachers for the necessary time to insure adequate planning time for elementary teachers.
6. Elementary teachers may use as preparation, all time during which their students are receiving instruction from various teaching specialists. If schedule changes occur, teachers will be provided equivalent planning time.
7. The parties agree that staff meetings are a necessary part of efficient operation of the school district. Therefore, to allow teachers adequate time to plan and

perform professional and personal responsibilities without undue conflict, it is agreed that teachers will be notified forty-eight (48) hours in advance of a meeting called by the administration. In the event of emergency circumstances, teachers will be notified of said meeting twenty-four (24) hours in advance. Emergency absences from such meetings may be cleared by the administrator calling the meeting.

8. Teachers shall be informed of a telephone number that they may call to report unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.

## **B. Class Size**

1. The parties recognize that optimum school facilities for both student and teacher are desirable to insure the high quality of education that is the goal of both Association and the Board. It is acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.
2. Therefore, any teacher who has more than twenty-five (25) students in K-5 classrooms will receive one-hundred dollars (\$100) per pupil, per semester. In grades 6-12, any class with more than 30 students per hour will receive twenty-five dollars (\$25) per student, per semester that are present in their classroom and receiving instruction from said teacher as assigned by the Administration. Determination for the number of students in each classroom is based on the Fall student count day and again adjusted at the second semester student count day

## **C. Qualifications and Assignments**

1. No teacher shall be employed by the Board for a regular teaching assignment who does not have a Bachelor's Degree and/or appropriate certification.
2. Persons with teaching experience within the District will be given preference in transfers.
3. Teachers shall not be assigned outside the scope of their teaching certificates and their major and minor fields of study, except temporarily and for good cause. Temporary shall be defined for purposes of this Article as not to extend beyond the current school year. In the event it is necessary to deviate from the above, the Association shall be notified in each instance.
4. Teachers who will be affected by a change in grade assignments in the elementary school grades and by subject assignments in the secondary school grades will be notified and consulted by the Building Principal and/or the Superintendent of Schools if possible by the end of the close of school in June.

Later changes, necessitated by emergency, will be made after conferring with said teacher or teachers.

5. Supervision by a teacher of a student teacher shall be voluntary and no teacher shall supervise more than one (1) student teacher simultaneously. Only a tenure teacher who has taught four (4) or more years and taught in his/her subject area(s) for two (2) or more years will supervise a student teacher.

**D. Supplies and Materials**

1. The Board recognizes that adequate numbers of appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals and similar materials are the tools of the teaching profession. The Board further recognizes that specialized programs require special materials in order to be effective. The parties will confer for the purpose of improving the selection and use of such educational tools, on an annual basis. The Board will attempt to implement all joint decisions made by its representative and the Association. The Board agrees at all times to keep the school reasonably equipped and maintained.

### **Article 7 - School Calendar**

The parties agree to negotiate a school year calendar which minimally, will be in compliance with the Michigan Department of Education instructional time mandates. The agreement with respect to the calendar is subject to ratification by the parties.

### **Article 8 - Vacancies, Promotions, and Transfers**

- A. Requests by a teacher for transfer to a different class, building, or position shall be made in writing, on forms furnished by the Board, one (1) copy shall be filed with the Superintendent and one (1) copy shall be filed with the Association. Should a vacancy occur the Superintendent shall contact those teachers who have expressed an interest in said or similar position. The teacher so notified shall contact the Superintendent's office within three (3) working days of receiving a vacancy notification indicating their intentions or interest.
- C. The Board will consider filling vacancies from its own teaching staff. When a vacancy arises or is anticipated, the Superintendent shall notify the Association and post notice of the vacancy in each building for a period of one (1) week during

the school year and two (2) weeks during the summer vacation before the position is filled

During the summer months it shall be the Association's responsibility, having received official notice of the vacancy from the Superintendent or his designee to communicate the same to each teacher.

A direct copy of the same posting shall be sent from the Superintendent or his designee to each teacher on leave and/or layoff.

- D. Teachers who wish to trade positions may do so with agreement of the Administration, the Board, and the Association.

## **Article 9 - Leaves of Absences**

### **Paid Leave**

- A. Each school year the teachers shall be granted twelve (12) days of leave, the unused portion of which shall accumulate to a maximum of one hundred thirty (130) days. The current year's days shall be in addition to the maximum. In the event that more leave days are used than have been accumulated at a particular point in time, and adjustment in pay will be made in the remaining paychecks after the end of the school year.

If the teacher does not use the current year's leave days, he/she may return those to the school district and be compensated at the rate of dollars seventy-five (\$75) dollars per day. A teacher may also elect to accumulate unused leave days. When the teacher leaves the district, the accrued days will be paid out at \$50.00 per day. Leave days may be taken for the following reasons and subject to the following conditions:

1. The teacher may use all or any portion of his/her leave to recover from his/her own illness or disability. A teacher may elect not to use his/her accumulated leave, or any portion thereof, during a period of personal illness or disability and take a leave of absence without pay pursuant to sub-section 4., below.
2. A teacher unable to teach due to personal illness or disability and has exhausted all accumulated leave shall be granted a leave of absence without pay for the duration of such illness or disability up to one (1) year; the leave may be renewed each year upon written request by the teacher with approval of the Board of Education.
3. Teachers may be requested to present a statement from the physician indicating their physical wellbeing before returning to work after surgery, injury, long illness or any condition related to long-term illnesses.

4. A teacher planning to use a leave day or days shall notify the building administrator.
- B. The Board and the Association hereby endorse the concept of Professional Courtesy. Professional Courtesy shall be duties performed by a teacher during released, or non-instructional time, for another teacher who needs to leave the building by circumstances either by or beyond his/her control, or due to emergency situations. In any case, Professional Courtesy shall be extended only with the consent of both the teacher extending the courtesy and the teacher receiving the courtesy with the permission of the building administrator. Neither the teacher extending the courtesy nor the teacher receiving the courtesy shall suffer any loss of compensation.
  - C. Any teacher called for jury duty during school hours or is subpoenaed to testify during school hours in any judicial or administrative matter, shall be paid his/her full salary for such time spent on jury duty or giving testimony. The teacher will relinquish any compensation received for the above-mentioned duty to the North Adams Board of Education.
  - D. Professional Improvement Conferences for Teachers. Teachers may attend one (1) conference a year for purposes of professional improvement. North Adams•Jerome Public Schools will cover the registration fee. The type and length of conference and total specific board of Education reimbursable costs including travel, lodging, food, or any other associated expenses shall be limited to a maximum of one hundred dollars (\$100.00). This must be approved by the Administration.

No more than two (2) elementary teachers or two (2) secondary teachers, except Title One personnel, will be permitted to attend conferences simultaneously during the regular school hours except with special approval of the Building Principal. Teachers having coaching assignments must alternate between athletic conferences and academic type conferences unless granted an exception by the Building Principal.

Teachers shall submit their requests to attend conferences to the building Administrator no less than five (5) working days in advance.

### **Unpaid Leaves**

- A. In conjunction with any other applicable leave under this Agreement and to the extent required by the provisions of the federal Family and Medical Leave Act, an eligible teacher shall be granted leave for the purposes and subject to the terms and conditions as provided by that law in all respects.

B. **Pregnancy Leave.** A leave of absence up to one (1) year shall be granted to a teacher for pregnancy purposes provided the following conditions are met:

1. Proof of pregnancy from the physician.
2. Leave must be requested thirty (30) days prior to the starting date of the leave or sixty (60) days prior to the beginning of the school year.
3. Pregnancy is a disability and leave days may be used during the disabled period. However, when the attending physician(s) indicates the employee is physically able to return to work, leave days can no longer be used.
4. The teacher shall provide the Board, upon request, statements from her physician regarding the teacher's physical wellbeing and ability to perform the duties of the teacher's position. Frequent absences prior to the start of the leave which are attributed to the pregnancy of the teacher shall be considered sufficient reason for the Board of Education to determine a starting date for the leave other than a previously approved date.
5. A teacher on maternity or child care leave may elect to prepay the health insurance premium for the duration of the leave after the start of the leave provided however, that the teacher submits the dollar amount of the premium ten (10) days prior to the Board's due date for the submission to the insurance company. This will be subject to the insurance carrier's approval.
6. Teachers returning from leave shall be restored to the same position held previously or a like position to one held prior to leave.
7. For seniority purposes, credit shall be given for a full semester during which time said leave was granted.

Leave for disability caused by pregnancy, parturition, and childcare shall not exceed one (1) year.

9. Should any court declare any maternity or childcare leave provision of this contract invalid or in violation of state or federal law, then the Board will comply with such court decision or state and/or federal law.

- C. A leave of absence shall be granted to any teacher, upon recommendation of the Superintendent and approved by the Board, for the purpose of further study at an accredited college or university in the field reasonably related to his/her professional responsibilities. Said teacher shall make written application no less than three (3) months in advance of the expected commencing of the leave. Upon return from leave, the teacher shall be placed at the same position on the salary schedule as when he left.

In order to be recommended to the Board of Education for unpaid leave of absence for educational improvement, a professional staff member must present formal acceptance for admission from an accredited college or university as a full time student (usually considered as a minimum of twelve (12) semester hours per semester) and said person must sign an affidavit that he/she will satisfactorily complete at least the minimum full time student academic program as described within this qualification policy while on leave. It is clearly understood by the professional staff member that failure to complete these minimum educational requirements will negate automatically the staff member's right to a leave of absence and the privilege of returning to our school system will be forfeited. Any deviation from these guidelines will be subject to individual review by the administration and the Board of Education unless an emergency situation arises that prevents completion.

- D. A leave of absence may be granted to any teacher upon approval by the Board of Education for the purpose of travel which is consistent with the educational growth of the teacher in his/her field.
- E. The Board shall grant, upon request of a teacher, who has taught in the North Adams-Jerome schools for seven years, a leave of absence without pay for personal reasons. The teacher shall return to his/her same teaching position. Unpaid personal leaves are limited to one (1) leave within a seven (7) year period. This leave will be for a minimum of one (1) school year. A request must be made at least sixty days prior to the leave except in the case of an emergency. A personal leave will not be granted for an employee to try out or assume another job in the educational field.
- F. The Board shall grant, upon request of a teacher, a leave of absence without pay for personal reasons. The teacher shall return to his/her same teaching position. This leave will be for a minimum of one (1) semester and a maximum of one (1) school year. A request must be made at least sixty (60) days prior to the leave except in case of an emergency. A personal leave will not be granted for an employee to try out or assume another job.
- G. A childcare leave may be granted to a teacher for childcare. Said leave will be for a period of up to one year except that it may be extended for another year at the

request of the teacher.

- H. A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the Armed Forces of the United States. Upon return from such leave, a teacher shall be placed on the salary schedule as he/she would have been had he/she taught in the District during such period.

## **Article 10 - Grievance Procedure**

A grievance is defined as a violation, misinterpretation, or misapplication of any provision of this Agreement where there is no established law for settlement of the alleged violation. It is agreed and understood that should a difference arise between the Board and any of its teachers as to the application of the provisions of this Agreement, there shall be no stoppage or suspension of work because of grievance. Such grievance shall be submitted in the following procedure:

### **A. Step One.**

Within five (5) school days after the grievance arises and before the written grievance procedure as outlined in Step Two is initiated, the grievant will present the grievance orally to the building principal. Within two (2) school days after presentation of the oral grievance, the building principal shall give his/her answer orally to the grievant.

The Association may initiate a grievance directly at the Superintendent's level when either of the following apply:

1. A grievance involves a group of employees or an issue which applies to the unit as a whole or,

### **B. Step Two.**

If a grievance is not resolved in Step One, the grievant may submit a formal grievance to his/her building principal in writing. The formal written grievance will be on a signed "Statement of Grievance Form," see Appendix D, and shall contain the name of the grievant or grievants involved.

A formal written grievance must be filed with the building principal no less than ten (10) school days from the date of the completion of Step One. Within five (5) school days of receipt of the grievance, the building principal shall meet with the

grievant and/or the Association in an effort to resolve the grievance. The building principal shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting, and shall furnish a copy thereof to the grievant.

**C. Step Three.**

If the grievant is not satisfied with the disposition of the grievance in Step Two, or if no disposition is made within the time limits set forth in Step Two, the grievance shall be submitted to the Superintendent within five (5) school days. Within five (5) school days of submission of the grievance, the Superintendent or his/her designee shall meet with the grievant and/or the Association and shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting and shall furnish a copy of his/her disposition to the grievant.

**D. Step Four.**

If the grievant is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within five (5) school days of such meeting as provided for in Step Three, the grievance, within five (5) school days, may be transmitted to the Secretary of the Board.

Within ten (10) workdays after receipt of the grievance the Secretary of the Board an advisory subcommittee of three (3) Board members shall be convened to hear the grievance. The subcommittee shall thereafter make a recommendation for disposition of the grievance to the Board at its next regularly scheduled meeting. The Board shall indicate its disposition of the grievance, in writing, within seven (7) school days of such meeting, and shall furnish a copy thereof to the grievant.

**E. Step Five.**

If the Association is not satisfied with the disposition of the grievance at Step Four or if no disposition has been made within the period above provided, the Association may submit the grievance to arbitration before an impartial arbitrator. The arbitrator shall be selected by the American Arbitration Association in accordance with its rules, which shall likewise govern the arbitration proceedings. Neither the Employer nor the Association shall be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. Both parties agree to be bound by the award of the arbitrator, and that judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be paid by the parties adjudged to be the loser. Any grievance not advanced to the next step by the Association above within the time limit in this Step, or if no time limit is specified within seven (7) school days shall be deemed abandoned.

## **F. Powers of the Arbitrator.**

It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific Articles and Sections of this Agreement.

Observations will be ongoing throughout the school year.
- G. A teacher who disagrees with an observation or recommendation may submit a written answer which shall be attached to the file copy of the observation in question.
- H. The teacher shall have the right upon request to review the contents of his/her

At that time, the Association will be requested to conduct a survey to determine any requests for voluntary retirement or voluntary leave. Said leave will be for no less than one (1) school year. The results of the survey shall be made known to the Superintendent. The Board will grant such requests before layoffs are made, provided the requests will prevent a layoff or facilitate a recall.
- B. Should reduction in staff be necessary, the Board shall give written notice to the affected teachers no less than forty-five (45) days prior to the beginning of the semester the layoff is to commence.

### **C. Seniority**

1. Seniority shall be defined as length of service within the District from the teacher's last date of hire (the date that the teacher signed the contract of employment. If that date is unknown, the first membership day of the school year shall be considered the date of hire.)
2. The Board shall prepare and maintain a seniority list showing, in order, the date of appointment of the last date of hire and the certification and fields of each teacher. Teachers with the same last date of hire will participate in a drawing to determine their rank on the seniority list.
3. The Association and affected teachers shall be notified by the Board in writing of the date, time and place of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and Association representatives to be in attendance. One (1) copy of the seniority list will be provided to the Association each year within thirty (30) days of the start of the school year.
4. All seniority is lost when employment is severed by resignation, retirement, or discharge for cause, however, seniority is retained if severance of employment

is due to layoff. In cases of layoff, bargaining unit members so affected shall retain all seniority accumulated as of the effective date of layoff.

5. Seniority shall not continue to accumulate when bargaining unit members are on approved unpaid leaves.
6. Teachers who have a fifty percent (50%) assignment or less shall accrue only half (1/2) year of seniority for such year.
7. Teachers who have returned to the bargaining unit after serving in an administrative capacity will be given seniority credit for all years of continuous service in the District.

**D. Layoff**

For purposes of personnel decisions when conducting a staffing or program reduction or any other personnel determination resulting in the elimination of a position, or when conducting a recall, the order of reduction shall be determined based upon the following ratings under the District's performance evaluation system under MCL 380.1249.

- a. Ineffective
- b. Minimally effective
- c. Effective
- d. Highly Effective

When all factors involved in the personnel determination (performance evaluation, ranking as listed above, highly qualified status, and certification) are equal, then length of service shall be the tiebreaker.

1. Teachers shall be laid off according to the State of Michigan Evaluation Law. Should two (2) or more teachers be within three (3) points and in the same performance category, then the laid off teacher shall be by date of hire.
2. In the event teachers must be laid off, layoff will be based on the State of Michigan Evaluation Law. Should two (2) or more teachers be within three (3) points and in the same performance category, the layoff will be by date of hire and certification. Teachers with the lower evaluation score not within three (3) points will be laid off first.
3. Teachers whose positions are being eliminated may bump another teacher with less seniority if the teacher is highly qualified for the position according to the class schedule adopted by the Board. In order to bump another less senior teacher, the senior teacher must have the same overall evaluation rating as the teacher being bumped and be highly qualified for the position.

4. A teacher who fulfills the academic requirements for additional certification by the beginning of the next school year shall be allowed, at that time, to assume a vacancy or position assigned to a probationary teacher for which he/she is newly certified according to his/her seniority for recall. A teacher planning to recertify, shall notify the administration at time of posting or no later than June 1<sup>st</sup>.

**E. Recall**

1. Laid off teachers shall be recalled in inverse order of layoff provided said teacher is certified for the vacancy.
2. The Board shall give written notice of recall from layoff by sending a registered or certified letter or telegram to said teacher, at his/her last known address. A copy shall be sent to the Association. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the board's records shall be conclusive when used in connection with layoffs, recall or other notice to the teacher. If a teacher fails to respond within ten (10) days from date of receipt of recall, unless an extension is granted in writing by the Board, said teacher shall be considered as a voluntary "quit" and shall thereby terminate his/her individual employment and contract and any other employment relationship with the Board.
3. Recalled bargaining unit members shall be entitled to all benefits previously accrued.
4. Refusal of less than a full-time position shall not forfeit a bargaining unit member's right to recall.
5. No new teacher shall be employed by the Board while there are laid off teachers who are certified to fill any vacancy which may arise. Recall rights will be limited to one (1) year for non-tenured teachers, and three (3) years for tenured teachers. Teachers on layoff shall be given priority on the substitute list.

- F. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this District shall be merged or combined. In the event this District shall be combined with one or more district, the Board will assure the continued recognition of the Association and the continued employment of its members in such consolidated district.

The Board will notify the Association immediately whenever a District reorganization is contemplated or under discussion with any other school district or entity.

- G. The Board will confer with the Association prior to finalizing transfers and assignments regarding reduction and recall of the professional staff.
- H. Teachers notified that they will be laid off for the ensuing school year will not lose their fringe benefits over the summer months. With the beginning of the school year or period of layoff the teacher will receive no fringe benefits at Board expense, but may elect to continue insurance benefits by paying the premiums at the Superintendent's office. This is contingent upon the respective insurance carrier's approval.

### **Article 13 - Student Discipline and Teacher Protection**

- A. All teachers will assume primary responsibility for control and discipline in their classrooms and are expected to contact parents about matters related to the student's behavior or academic performance. Results of the contact should be shared with the building administrator. Matters of a serious and immediate nature should be brought to the attention of the building administrator for immediate action.

The Board will support and assist teachers with respect to the maintenance of control and discipline in the classroom.

- B. The administration will confer jointly with teachers, parents and students in the establishment of rules and regulations which set forth the procedure to be utilized in disciplining, suspending, or expelling students for misbehavior. Such rules and regulations shall be distributed to teachers, parents and students with the commencement of each year.
- C. The general supervision of students is a responsibility of all teachers. This includes activities in all school areas such as halls, lavatories, assemblies and any other school place where students may congregate during the normal school day. Teachers will not be assigned to regular hall or lavatory duty, but should assist on overall supervision.
- D. A bargaining unit member may refer a pupil to the office when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the bargaining unit member will furnish the principal, as promptly as his/her employment obligations will allow, full particulars of the incident in writing. The pupil shall not be returned to the class until after consultation by the principal with the bargaining unit member.
- E. Any case of assault and/or battery upon or by a teacher while acting in the scope of his/her employment shall be promptly reported to the Board or its designated

representative. The Board shall, upon request, provide legal counsel to advise the teacher of his or her rights and obligations with respect to any such assault and/or battery and shall provide such legal and other necessary representation and assistance as might be required in connection with any incident arising out of a teacher's efforts at self-defense against an attack on him or her or in maintaining building control.

- F. Time lost by a bargaining unit member in connection with any incident mentioned in this Article shall not be charged against the bargaining unit member.
- G. The Employer will reimburse bargaining unit members for any damage or destruction of clothing or personal property of the bargaining unit member while on duty in the school or on the District's premises, if said damage is not paid for by the individual's personal insurance.

### **Article 14 - Continuity of Operations**

- A. The Association and its members shall not engage in nor encourage concerted or individual action, which would be in violation of this Contract or in violation of the laws and statutes of the State of Michigan.
- B. The Board also agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.

### **Article 15 - Negotiations and Contracts**

- A. Any matters not expressly covered by this Agreement but of common concern may be brought to the attention of either group through representative channels.
- B. Negotiations for the ensuing year will begin no later than sixty (60) days prior to the expiration of the contract. Neither party in any negotiations shall have any control over the selections of the negotiating or bargaining representatives of the other party.
- C. The parties pledge that their representatives will be clothed with all necessary power and authority to make proposals, and make concessions in the course of negotiations.
- D. There shall be three (3) signed copies of any final agreement. One (1) copy shall be retained by the Board, one (1) by the Association, and one (1) by the Superintendent. Copies of the final Agreement shall be duplicated at the expense of the Board and made available to all teachers now employed and hereafter employed and twelve (12) copies shall be provided to the Association.

## **Article 16 - Professional Behavior and Improvement**

- A. No teacher shall be disciplined (including warnings, reprimands, suspensions, with or without pay, or other actions of a disciplinary nature) without just cause. The discharge or demotion of a tenured teacher shall be governed exclusively by the procedures and standards of the Michigan Teacher Tenure Act applicable thereto. However, should the just cause standard of the Michigan Teacher Tenure Act for demotion and discharge of a tenured teacher be repealed or abrogated by amendment, the provisions of the 1990-93 Agreement between the parties shall prevail with respect to this Section.
- B. A teacher shall be entitled to have an elected officer of the North Adams-Jerome Education Association present during any disciplinary action when such action becomes part of the teacher's personnel file. When a request for such representation is made no action shall be taken with respect to the teacher until said representative as stated above is present. Further, in the event disciplinary action is to be taken the teacher shall be advised of the right to have an elected officer of the North Adams-Jerome Education Association under this provision of the Agreement prior to the action being taken.
- C. If discharge of a teacher (including denial of tenure) is to be considered because of inadequacies observed in the teacher's professional work with students, such action must minimally be preceded by:
1. Repeated observations of the inadequacies through the observation process.
  2. Clear direction that the teacher must improve and the consequences of failure to do so.
  3. Adequate opportunity for the teacher to make improvements.
  4. The administrator will provide whatever assistance he/she can to give help to the teacher so he/she can improve, this includes additional professional development at no cost to the teacher.
- D. The Board and/or the Administration agrees to follow a general procedure of discipline which includes verbal and/or written warning, reprimand, suspension without pay, and discharge as a final and last resort.

The above procedures may be waived when, in the Superintendent's discretion, the seriousness of a teacher's behavior necessitates more severe or immediate measures. In the event that a teacher has been unfairly or improperly disciplined, his/her personnel records will be cleansed of the incident and his/her lost pay restored.

## Article 17 - Miscellaneous Provisions

- A. Any individual contract between the board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement and any individual contract hereinafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. This report shall include: what new ideas and methods that they learned about and how these will be used in their classroom.

3. Release time may be granted for the mentor teacher to conference with the new teacher to whom he/she is assigned.
