ADDENDUM #2

Date: February 21, 2018

From: CSG Construction Solutions Group

Subject: **Addendum #2 Re: RFQ/P Conceptual Architectural Design Services for the Edna C. Stevens Elementary School in Cromwell, CT**

1. **A pre-proposal walk-through** will be held at the school FRIDAY, FEBRUARY 23, 2018 at 11:00 AM. We will meet at the elementary school main entrance at 9 Captain James Mann Memorial Drive, Cromwell, CT 06416.

The purpose of the walk-through will be to answer questions and provide respondents with the opportunity to familiarize themselves with the site. We will not enter the school.

2. **Question 1:** Page 3 of the RFP under Project Description – Scope of Services, states a complete assessment of existing conditions within the subject property. What is the exact extent of the “subject property”? The high school appears to be on the same property, is that to be assessed along with the existing school?

Answer: The subject property includes the property affiliated with the elementary school only; the existing building, surrounding outdoor play areas, and parking and drop-off locations. The high school property, south of existing fencing, is not included in this scope of work.

End of Addendum No. 2
