Expectations and the times will be presented, and questions answered.

-Sophomores and Juniors who are eligible based on their cumulative proficiency scores/GPAs will be contacted via school email the week of June 25th (of the 2018-19 school year). This email will contain a link for the CANDIDATE FORM. Those who intend to pursue candidacy will fill out the candidate form and submit it via email to both Ms. Johnson and Mr. Moore by August 10th.

-The candidate form will ask students to compose two essays that align with NHS’ four pillars of scholarship, leadership, service, and character. -As noted above, Sophomores must demonstrate at least 20 service hours, and Juniors must show at least 30. These service hours must be logged on this Service Form and must include sufficient contact information for the adult supervisor of the completed service activity. -Please know that the Faculty Council is looking for a certain level of diversity within your service. Strong candidates are those who can demonstrate volunteer hours for a variety of people and/or in a variety of categories. If you are only able to demonstrate service within one area, the Council may suggest that you continue developing your skills in this area for next year.

-Ms. Johnson and Mr. Moore will share the submitted Candidate Forms with the five members of the Faculty Council by August 14th. The council will review each form and other relevant information to determine those who fully meet the selection criteria for membership.
- The council will vote on every student who has submitted a form. After approval from Principal Mosca, all students will be sent a letter, informing them of the results of the vote on August 29th.
