Suzy Azevedo, Principal

Neyda Evans, Assistant Principal

Dear Parents/Guardians,

We cannot believe this school year coming to an end! The beginning of the year was all about unknowns. We did not know how we were going to balance hybrid instruction and ensure all students whether they were in the building or at home, were getting the best instruction we could give them. Our teachers did an amazing job.

We would like to thank you for all the support you gave us during this time. Your kind words and actions throughout the year gave us strength to face every challenge that came our way. We appreciate your understanding as we navigated through this year as first year administrators during a pandemic. You trusted us not only with your children's education but also their safety. We could not have done it without your help!

We look forward to next school year and hope it is as normal as it could be. We cannot wait to get to know all the students and make middle school as memorable as possible.

Have a wonderful and restful summer!

Sincerely,

Mrs. Suzy Azevedo and Mrs. Neyda Evans
