

# **BEEBE PUBLIC SCHOOLS INCLEMENT WEATHER PROCEDURES**

In the event of bad weather or hazardous conditions that originate over night, announcements regarding the closing of school will be communicated by **6:30 a.m.**

The following methods of communication will be used to inform students, parents, faculty, and staff of school closings: **School Messenger** (*automated phone system*), **Beebe Public School web page, radio, and television.**

## TV

*Little Rock*

Channels: 4, 7, 11, & 16

## RADIO

*Searcy*

KWCK-FM 99.9 / KRAN-FM 99.1

If the hazardous conditions are only temporary in the morning, then school may open one (1) hour later or at 9:00 a.m. Bus drivers will start their routes one (1) hour later.

Some conditions may call for routes being adjusted to “**SNOW AND ICE ROUTES**” due to specific roads being worse than others. The routes will be published in the paper and may be found on the district web page.

**STUDENTS AND PARENTS SHOULD LISTEN TO THE RADIO OR WATCH TV. PLEASE DO NOT CALL SCHOOL EMPLOYEES REGARDING SCHOOL BEING OPEN.**

## **PROCEDURE FOR EARLY DISMISSAL DURING THE SCHOOL DAY:**

If it is necessary to dismiss school early due to weather changes, there will be at least a 45 minute warning to allow all the bus drivers and parents to prepare. All four methods of communication will be used to help inform parents of the early dismissal.

## Flood Routes

The following routes have roads that are prone to flooding. If there is an excessive amount of rain that makes the following roads impassable, then the children will need to be picked up and dropped off at the following locations.

- Bus #31**      **Gillham Rd & Arthur Kirk Rd.:** to be picked up or dropped off at the Baptist Church at Gilliam and Hwy 64.
