Professional Development/Updates/Links:

Extended School Year Services: The preparation for ESY 2021 is in full swing as we prepare for 95 students K-12. The program will run from July 6-August 5, 2021 (Tuesday-Thursday). Looking forward to another awesome summer with the students.

Staffing updates: The following special education positions have been posted- Special Education Teacher at Leonard Middle School and Educational Technicians district-wide.

Thank you: I would like to thank all of the special education staff who have worked tirelessly this school year. Staff have addressed academic needs as well as social/emotional needs to support students during this very unusual school year. Our students truly are lucky to have you.
