We will hold parent teacher conferences on Wednesday & Thursday November 2nd & 3rd.. We believe that communication between home and school is critical in providing an effective instructional environment for our children. We look forward to your insights regarding your child's education and input about the school year. As a parent/guardian, you provide valuable information for your child's classroom teacher, so they are better able to address your child's needs. **If you have not set up a time please contact the school office at 269-782-4464.**
