**PARENT TEACHER CONFERENCES**-It is very important for teachers and parents to meet for Parent Teacher conferences. Research shows that children, when parents are involved, do better in school. We want all of our students to do well. Parent Teacher conference forms came home last week. Conferences are March 15th and 16th. Return as soon as possible.

March is Reading Month and we have lots of special days coming up. Please see the calendar of events that came home last week. We will also have special visitors reading to our students.
