We've invited students for summer school. This is a valuable time for students to maintain and increase their skill levels in the areas of math and language arts. **We need you to commit to the full eighteen days of instruction.** If you have not turned in your registration form, please do so as soon as possible. If you have any questions, please contact your child's teacher.

STUDENT MEDICINE - All student medications must be picked up from the school office **by Wednesday June 14th by an adult.** All medications remaining after that date will be disposed of properly.
