

*\*All children must be 5 years old by August 31st to enter Kindergarten.*

**Welcome Class of 2034!** It's important to register your soon-to-be Kindergarten student so we can plan ahead for the 2021-2022 school year enabling us to secure the number of classrooms and teachers needed for the fall enrollment. If you have friends, relatives or neighbors who live in Stoughton, and will be registering a kindergarten age child, please pass on this information.

Kindergarten registration packets will be available beginning April 1, 2021 in electronic and hard copy form. Please sign up via the following link to begin your child(ren)'s Kindergarten Registration - [stoughtonkindergarten.com](http://stoughtonkindergarten.com). All of these forms will be available on our website after April 1, 2021 with the exception of the folded 4 page form. You may indicate on the sign up sheet if you will need a translated packet.

When your registration packet is complete, please send it back to the school in one of these ways:

- Scan and email to the school secretary (see email addresses below)
- Drop off your packet in a sealed envelope in the box located at the front door (available between 8-3 only)
- Mail to the school (*please see school addresses below*)

We cannot process your packet until it is complete. Please provide copies, not originals, of any required paperwork.

Thank you for your patience and cooperation!

## Documents required to register your child:

You will need a copy of your child's birth certificate in addition to 2 proofs of residency such as a current lease or mortgage statement and a current utility bill, and your child's most recent immunization record. This requirement also applies to students who currently attend the Jones Preschool program.

**Kindergarten Registration must be completed in order to enter in September 2021. Until a student's registration is complete, he/she will not be assigned to a classroom and may not begin in September 2021.**
