Technology Fee:

Each student in Kindergarten through 12th grade is assessed an annual \$50 technology fee to help cover the cost of individual student devices and access to web services. Fees are due by the end of October each year.

Tuition:

This is the full cost of educating one student at CCS. CCS is blessed to have other resources to support this cost of education. By funds raised through families, surrounding churches, Timothy Education Foundation, and annual school fundraising efforts, the full cost of education is reduced to help our families.

Celeryville Christian School Financial Aid (CCSFA):

Families applying for tuition assistance need to access the FACTS web site at <https://online.factsmgt.com/signin/4FMYJ>. Assistance will be based on need and size of family along with other financial needs. FACTS Applications must be completed by the end of May each year to be fully considered for CCSFA.

Tuition will be collected using our automatic payment system, FACTS. Your tuition obligation will be collected each month between September and June (10 total payments). You may also elect to pay your tuition in full at the beginning of the school year.
