

**Seventh Grade Team 1 Families,**

Thank you for your support during this school year. Please find the schedule for our Final Exams below.

**In-person Students:** will take the exams in homeroom on the scheduled dates and times

**Remote Students:** will test at home, and need to log-in to the subject area teacher's ZOOM at the time of the exam. Students will need to test with their cameras on while they work and can raise their hands if they have any questions during the exam.
