Audubon Society of Rhode Island
All about Birds
Thursday, July 15 @ 11:00 AM

Explore the life of our feathered friends. Observe their feathers, feet, beaks, nests and eggs. Discover where birds live and how their adaptations help them survive in their habitat. Meet a live bird up close and then look for birds in your own backyard. *For children ages 3-7. Space is limited to 16 children.* Registration begins Monday, June 28. Please call 294-3306 x7 to register.

Fiddle N' Fun
Thursday, July 22 @ 11:00 AM

It's the summer of 2021, and we're ready for some Fiddle N' Fun! Returning in-person as part of the children's Summer Reading Program, kids (and parents) will be singing, dancing, and learning to play the *Fiddlestix* (locally-made). Especially for ages 3-10, this is an exciting, interactive music program that should not be missed! Space is limited. Registration begins Monday, June 28. Please call 294-3306 x7 to register.

Audubon Society of Rhode Island
Exploring Reptiles
Monday, July 26 @ 11:00 AM

Snakes, turtles and other reptiles have amazing adaptations for survival. Discover more about the reptiles of our area through photos, observations and discussion, including where they live and the role they play in ecosystems. Meet two unique species up close. Questions are encouraged! *For children ages 5-11. Space is limited to 16 children.* Registration begins Monday, June 28. Please call 294-3306 x7 to register.

Join us for *Super STEM* ! Centered in science, technology, engineering, and math, *Super STEM* is a virtual program for curious children who are interested in learning about the world around them. Over the course of five videos, students will learn about different natural phenomena and perform a variety of fun experiments and activities. Call the Youth Services desk for more information. 294-3306 x7.
