

Lincoln Parish School Board COVID-19 Guidelines

(Updated August 1, 2022)

Masks

- Masks are “optional” for students and adults on all buses and while on school campuses
- Masks are “optional” for all visitors in schools.

When to Stay Home

- Students who are ill should stay home regardless of symptoms.*
- Fever of 100.4 requires students to stay home or be picked up from school. *
- Unvaccinated students must quarantine at home if they are exposed to COVID-19.*

*represents school nurse should be notified

Social Distancing

- Social distancing is recommended to the greatest extent possible.

Isolation for Positive Results (Both Vaccinated and Unvaccinated individuals)

- Students and employees should isolate at home for 5 days upon testing positive for COVID-19.
 - ✓ Day 1 is the actual test date.
 - ✓ Symptoms must have improved and no fever for 24 hours
 - ✓ Return with mask requirement for additional 5 days
- Untested symptomatic students and employees (when other family member(s) in the home test positive for COVID-19), should isolate for 5 days and return with a mask on day 6-10 if symptoms have improved and no fever has been present for 24 hours. Day 1 should be the test date of the family member who tested positive.

Quarantine for Exposures to COVID-19

- Students and employees who have been vaccinated are not required to quarantine but must wear a mask for 10 days. Recommendation is COVID-19 test after 5 days.
 - ✓ Day 1 for quarantines is the day following the exposure.
- Students and employees who have not been vaccinated must quarantine for 5 days and have a negative test after day 5 in order to return with a mask requirement through day 10. For those not testing after day 5, a 10 day quarantine is required.

Other information

- Vaccinations and boosters are “highly” recommended.
- Google Classroom should be updated weekly for students to follow when absent.
- Nurses or school administrators should be informed of positive cases and exposures.
- Students and employees should sanitize often during the day.
- High touch areas will continued to be sanitized throughout the day.
