NetSmartz

<https://www.netsmartz.org/Parents>

NetSmartz Workshop is an interactive, educational program of the National Center for Missing & Exploited Children® (NCMEC) that provides age-appropriate resources to help teach children how to be safer on- and offline. The program is designed for children ages 5-17, parents and guardians, educators, and law enforcement. With resources such as videos, games, activity cards, and presentations, NetSmartz entertains while it educates.

Our Goals:

- Educate children on how to recognize potential Internet risks

- Engage children and adults in a two-way conversation about on- and offline risks

- Empower children to help prevent themselves from being exploited and to report victimization to a trusted adult
