Parent's Right-To-Know

Dear Parent/Guardian:

In accordance with ESSA (Every Student Succeeds Act) PARENTS RIGHT-TO-KNOW, the Buhler School District is notifying every parent/guardian of a student in a Title I school that you have the right and may request information regarding the professional qualifications of your child's classroom teacher. This information, regarding the professional qualifications of your child's classroom teachers, includes at a minimum, the following:

1. Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which the state qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.
5. The parent/guardian has the right to request their child's state assessment scores
6. The parent/guardian has the right to obtain the school and school district state report cards

. If at any time your child has been taught for 4 or more consecutive weeks by a teacher not certified for the content or grade level teaching, the school will notify you.
