

2nd – 5th Grade Arrival Entrance Location & 1st – 5th Grade Parent Pick-Up/Walkers

This year, all SPS students are able to get dropped off at their respective school as early as 8:00 am to participate in Morning Recess. During this time, students will be monitored as they play outside during nice weather and will have the opportunity to go inside for breakfast if they opt to do so. During inclement weather, students will be brought into the building to spend indoor recess either in the cafeteria or gymnasium according to their grade-level. Students in Grades 2 – 5 will utilize the Upper Blacktop location for AM Drop-Off. For afternoon dismissal, the Upper Blacktop Location will be utilized for parent/guardian pick-ups for students in Grades 1 – 5. A Dawe Staff Member will be monitoring the process to ensure safety and efficiency. **Please stay behind the gate as you wait for your child(ren).**
