#Building our Future

Construction Update: Week ending February 23, 2018: Installation of concrete masonry and brick veneer is ongoing. Concrete pour took place at stair landings this week. Inside, wall framing and duct installation continues. Back-up generator and chiller were set in place, and paving work is progressing in North Parking lot.

2017 BOND PROGRAM
RIDGEFIELD SCHOOL DISTRICT

Drone shot of the south face of the 5-8 schools complex. Hillhurst Road is at the right. Ridgefield Outdoor Recreation Complex is shown at the top of the photo.

View of masonry and brick veneer work currently underway in the Commons area.

Crews set back-up generator in place alongside chiller unit.
