

# BCS Online Learning Update

2020-2021

# Lincoln Learning

*Beavercreek City Schools*

2020 - 2021

## Technology Problems

- Passwords
- Password Resets

## Technology Resolutions

- Passwords were set the same as district passwords to minimize the need to remember multiple login credentials
- An indicator is not provided when a LL password reset is initiated. Parents were sent information on this issue and district staff helped navigate families through the process when contacted.

# Lincoln Learning

## Technology Problems

- Missing Video Content

## Technology Resolutions

- LL has contracted with Discovery video to replace video content across their courses. They posted an alert on their website that the content has not been replaced as of the date of this presentation. This issue could not be resolved as the video content is not available.

# Lincoln Learning

*Beaver Creek City Schools*  
2020 - 2021

## Technology Problems

- Viewing PDF Files On an Apple Device (iPad)
- Music Files Not Compatible (iPads and Chromebooks)

## Technology Resolutions

- A list of PDF file links that could be opened in a browser were provided to parents and PDF workbooks were printed.
- Files for many music lessons were not compatible with Apple devices. Some music files were also not compatible with Chromebooks. There was no way to resolve this issue on these devices as it is how LL constructed their materials.

*Beavercreek City Schools*

2020 - 2021

## Technology Problems

- Record Function Inoperable on Apple Devices (iPad)

## Technology Resolutions

- A feature to record a response in a some lessons would not work on an Apple device. Additional apps were pushed to iPads to allow recording and parents were provided with directions for working through this process.

# Lincoln Learning

*Beavercreek City Schools*

2020 - 2021

## Technology Problems

- The range of technology issues was not listed in Lincoln Learning's posted technology resources.

## Technology Resolutions

- District personnel had to identify a problem, determine its origin and provide resolutions whenever possible.
- Lincoln Learning was not able to resolve these issues within their platform.

# Lincoln Learning

*Beaver Creek City Schools*

2020 - 2021

## Coursework Problems

- Standards Alignment
- Assessments
- Supplies

## Coursework Resolutions

- Lessons were pared down to match Ohio Content Standards in Science and Social Studies
- Number of assessments were modified to align with traditional classroom expectations
- Other district resources such as Gizmos and Science4Us were recommended to parents in lieu of science supplies. Links for virtual math manipulatives were shared, also.

# BCS Plan for K-5 Online Students

*Beavercreek City Schools*

2020 - 2021
