

Newell School District will be offering an afterschool program for student's preschool through twelfth grade for the 2021-2022 school year. We will be conducting the program twice a week and a schedule for the afterschool program will be located on the school website available in September.

Below is a survey regarding your child's attendance with the afterschool program for next school year. Please fill out and send to the school.

Parent/guardian's name: _____
