Dear parents and guardians,

The Newell School District will have changes in the transportation for the 2021-2022 school year. Mr. Andrew Fergen will be overseeing the normal school bus routes while Mr. Steve Schoenfish will be coordinating the extra-curricular activity bussing.

The recent parent/guardian meeting have helped to meet the need for drivers and bus routes therefore routes will be determined at the July school board meeting. To plan each route appropriately, each family needs to complete the survey below and return it to the school in the envelope provided. If you have any knowledge of individuals moving to the area, share the information and have them call the school. We would be more than happy to help in getting their school-ages children to Newell.

_____ Name of parents and guardians along with names and ages of students.

_____ My child(ren) will be riding the bus in the mornings and afternoons.

_____ My child(ren) will **NOT** be riding the bus in the mornings and afternoons.

Sincerely,

Andrew Fergen
Superintendent
Newell School District
