

# Athletic Information

2021/2022

If your student is interested in competing for Reeths-Puffer Middle School during the upcoming school year, be sure to have the following items completed.

[Physical](#) - All physicals must be completed on or after April 15th, 2021 using an MHSAA Physical Form linked above. The physical will be good for the entire school year. Physicals can be submitted electronically through Final Forms (see below).

[Final Forms](#) - In order to participate in athletics at Reeths-Puffer during the 2020-2021 school year, all student-athletes are required to register with Final Forms. Reference the [Parent Playbook](#) for helpful registration information. Also, consider the suggestions below when completing the registration process.

A few hints:

1. Bookmark this site or save it to your desktop on your mobile device or computer (do not Google search for it in the future as you will not go directly to the Reeths-Puffer site).
2. Have required information available, such as medical history/health information, insurance company policy numbers, doctor, dentist and hospital information. This will make the registration process more efficient for you to complete in a timely manner.
3. Parents will need to fill in their student-athlete's **school** email address. This address is typically the student-athlete's first name, followed by a period and then their last name, followed by @reeths-puffer.org. Your student will then need to check their email for information on how to complete their portion of the registration process.
