We are live on the Escape software!

Covered topics include running reports, exporting data to Excel, how to read budget reports, looking up balances on purchase orders, grids, scheduling reports, etc. We encourage you to attend one of these sessions to learn more about the software.

The final Escape working session that was scheduled for February 27<sup>th</sup> is cancelled. However, additional BCOE trainings will be offered in March, with dates and topics TBD.

BCOE will be examining current processes and procedures as we continue to implement Escape. Some procedures may go through several adjustments as we work through finding the right process for our organization. One of those adjustments is the IT purchasing process. We will no longer be using the "T" requisition for IT purchases, effective 2/15/18. If you need to make an IT purchase, contact the IT Help Desk for a quote.

The new Escape Employee Portal is getting closer to be ready for viewing. We are doing some testing to make sure it operates properly and hope to be launching soon.

Fiscal and HR/Payroll continue to receive documents with org keys. These will be returned with a request for the correct account. Accounts should also be used for mail processing, as **BCOE no longer uses org keys.**

If you need any assistance with logins, permissions, etc., email [ss@bcoe.org](mailto:ss@bcoe.org). If you need Escape installed on your computer(s), email [its@bcoe.org](mailto:its@bcoe.org).

Contact me at 530-532-5617 or [landerso@bcoe.org](mailto:landerso@bcoe.org) should you have any questions.
