

Hemlock Public School District
Extended COVID-19 Learning Plan
September 2020 Reconfirmation
Meeting

Responsibilities:

- Reconfirm how instruction is going to be delivered during the 20/21 school year
- Public comments from parents and/or guardians on the Extended Learning Plan
- Review weekly 2-way interaction rates
- Post to transparency link on website and provide to CEPI

Reconfirm District instructional delivery method:

The Hemlock Public School District offers two (2) delivery models for learners for the 2020- 2021 school year. Parents and guardians were able to choose between in-person or virtual instruction for their child.

Reconfirm how instruction will be delivered for each grade level:

Elementary/Middle School (Y5 - 8) in-person learners attend school on daily basis, except for virtual Fridays.
 High School (9-12) in person learners attend school on daily basis, except for virtual Friday.s
 District (Y5-12) virtual learners are provided access to the curriculum and learning through either remote learning through synchronous instruction, virtual learning with Kickstand or Edgenuity.

Reconfirm that District is offering higher levels of in-person instruction for English language learners, special education students, or other special populations:

100% of our Special Education learners have been offered in-person instruction or have contingency learning plans in place.
