

Scholarship Information

Scholarships change their deadlines every year so you will need to be responsible to check the website's for actual deadlines. I would recommend checking no less than a month in advance to be sure you do not miss out on any scholarships.

Here are a couple of scholarship search engine sites. They will assist you to identify scholarships related to certain traits (athletics, academic, ethnicity, military, etc.)

- <https://www.fastweb.com>
- <https://collegescholarships.com>
- <https://www.unigo.com/scholarships>

Scholarship tracking sheet:

mappingyourfuture.org/Downloads/MappingYourFuture_Scholarship_Tracking.xlsx

If you have decided on a college or have narrowed it down to a few, make sure you are logging onto their scholarship site regularly (monthly) to check if they have any deadlines for scholarships. Each university offers money through their foundations that you have to apply directly through them.
