Students should not be on campus after school hours unless otherwise arranged with the school. We currently have Eagle Athletics practicing in our gym during the evenings. The gym is only open to Eagle Athletics at this time. If your student is not attending practice with Eagle Athletics they should not be on campus without supervision.

Parents please check in at the front office when checking out your student(s) or for any questions you may have. This helps keep everyone safe. Thank you for your cooperation!

EYHN is rewriting the narrative for girls in STEM and works to create a community in which girls are empowered and get excited about the possibilities that STEM can offer.
