## Help us keep our campus safe

Students should not be on campus after school hours unless otherwise arranged with the school. We currently have Eagle Athletics practicing in our gym during the evenings. The gym is only open to Eagle Athletics at this time. If your student is not attending practice with Eagle Athletics they should not be on campus without supervision.

**Parents please check in at the front office when checking out your student(s) or for any questions you may have.** This helps keep everyone safe. Thank you for your cooperation!

- Encourage your child to stand on the sidewalk until the crossing guard motions for them to cross the street. They are not to follow the crossing guard into the street until the crossing guard motions to them that it is safe.
- Encourage your child to walk quickly, not run, across the crosswalk. Bikes, scooters, skateboards, etc., are not to be ridden in the crosswalk, but need to be walked or carried while crossing.
